

EDUCATION PROGRAM

Currently we have the following education programs.

1. **Remedial classes for school going slum children (primary level):** This program targets children studying in classes I to V in municipal schools. This program complements the gaps in school education. Due to this program students are regular in schools and able to understand the different subjects better.
2. **Remedial classes for school going slum girl children (secondary level):** This program targets girl children studying in classes VI to X in municipal schools. This program complements the gaps in school education. Due to this program students are regular in schools and able to understand the different subjects better. This program is specially designed so as to reach out to the girls in the slums who are generally side-lined or neglected in the education system due to various constraints. The main aim is to break this trend and empower and equip these girls with better opportunities so that they can strengthen their future.
3. **Spoken English classes for school going slum girl children (secondary level):** This program targets girl children studying in classes VI to X in municipal schools and higher classes. This program works towards betterment of spoken English skills with emphasis on all aspects of reading, learning and writing for the children.
