## From The Desk of The President-----

Dear Patrons,

It is an old proverb that if you give a man a fish, you feed him for a day, but if you teach a man to fish, you feed him for a lifetime. CSSAR believes that changes for good in the society can only begin by deep appreciation of the need to education. CSSAR in its own little way takes this idea to corners that appear most neglected.

Our CSSAR family continues to grow with your exceptional support and patronage. This commitment has led to recognition by "Credibility Alliance" of us adhering to strict norms of accountability, transparency and good governance. This is a great recognition and we wish to thank all our team members in working hard towards achieving this standard. For the rest in the family it is a renewed assurance that the cause dear to us is managed professionally.

This year 2011-2012, we have not only maintained our momentum but have been able to extend more helping hand. From 196 students last year we now reach 210 with student - teacher ratio of 15:1.

This has been possible because of increase in individual support from 59 donors last year to 79 this financial year. The contributions increased from Rs 270101/- to Rs 518196/- We thank you all for the trust and we seek continuous patronage in future. Hope you are in receipt of feed backs individually- a practice that we started last year on the donations received from each one of you.

Thank you very much in spreading more smiling faces round the corner. Thank you very much for coming together in strengthening the dreams of those who can but are constrained. Hope we continue to work towards a cause that gives us satisfaction in the truest manner.

The continuous patronage of Give India is a standing proof of our commitment towards the cause close to all of our heart. I would like to place on record our deepest gratitude to Give India for all their generous support and untiring guidance without which we couldn't have come this far.

U G Sujatha  
President
