

PRIYA: THE COMBINATION OF BRILLIANCE AND HARDWORK

It is indeed true that actions speak louder than words. Your words have no value if you don't perform the corresponding action to back them up. CSSAR's Priya has proved time and again that her word is worth the salt as her achievement is a testament to the credibility of her words.

Priya and her family live in Bajghera village, Gurgaon. Her father runs a small tea stall to support the expenses of the family. Being the sole earner, it was very difficult for Priya's father to continue her studies. But adversity makes one wise and this helped shape Priya into the tough

woman that she has grown up to become. She started taking remedial classes at CSSAR under Poonam Ma'am from class 6th-10th and cleared the 10th board exam with 68.80% marks in 2017. With the determination, she further cleared the 12th board in 2019 with a whopping 82%.

Priya got enrolled into undergraduate course in a college in Gurgaon. Being the eldest offspring in her family, she dreamt of becoming a teacher and support her family since her childhood days. Being a potent aspirant, Priya joined in CSSAR's Bajghera centre as the Math teacher in 2019 where once she studied as a student. Her hard work and excellent teaching skills made spaces in children's hearts within a few days. She has proved herself as an inspiration, as under her guidance 6 children cleared the 10th board exam with distinction marks in 2021. She is now pursuing her JBT course which is a passport to fulfil her dream of becoming a school teacher. CSSAR is honoured to have aided Priya acquire her compass of her aim that navigated her towards success. Her determination and dedication towards education shall bring her to a bright future and CSSAR would be triumphant.
