

ANNUAL REPORT 2017-2018

VIKAS SAHYOG PRATISHTHAN

An Alliance for Social Justice and Sustainable Development

President's Foreword

Vikas Sahyog Pratishthan evolved in 1990 as a collective to work together on sustainable development processes. As a network VSP was connected with many local and grassroots organizations in 19 districts of Maharashtra mainly from Konkan, Vidarbha, Western and Northern regions. After demonstrating strong network among organizations and demonstrative models in the field VSP has moved towards the Implementation Mode. Taking shift from Networking Organisation to Direct Implementing Agency is a strategic decision that has adopted in 2014 by General Body base on review in Strategy Planning Workshop.

Our work is related to the success of Sustainable Development Goals such as No Poverty, Good Health and Well Being, Quality Education, Gender Equality, Clean Water and Sanitation. The primary constituencies are Below Poverty Line. Among them we work mainly for children, youth, and women. Currently VSP is working in 7 districts that requires more attention. Our approach is to bring empowerment within communities, building cadre, and enhancing good governance practices.

In this financial year we have 74% CSR grants and 26% of funding from international donors, trusts, individuals and communities. We have observed CSR mindset is fast and look for quick delivery which we agree however development sector is slow and long term impact oriented which requires time. While doing actual work the challenges are increasing as legal frameworks are becoming more stringent, financial resources are tapped by elite NGOs by using market mechanisms.

I wish to share my appreciation to overall management staff. It takes lot of courage and requires passion to reach most disadvantaged. Overall team is working with all sorts of all odds. They are trying to create gender balance in the staff.

On behalf of VSP I wish to share our thanks to the all Supporters, Donors, General Body Members. Hope in future this support will grow further to serve more people.

Dattatrey Patil
President

Words from CEO

This is a compilation of our overall joint efforts and achievements in 2017-2018. It is a collective contribution of our organisational members, Governing Board, Management teams, field and administrative staff, community representatives and various type of supporters. This togetherness gives us a sense of solidarity that we are working for our humanity.

In a view of promoting social justice as an voluntary organization, we have facilitated Livelihood, Education, Water and soil Conservation along with Sanitation and Hygiene with most needed communities spread across distanced locations. In response to their needs, evolved development models base on community consultations. Believed in creation of knowledge to share about alternatives in policy making dialogues.

In this reporting year, VSP has reached to around 18,654 farmers through its Sustainable Livelihood and Agricultural practices. Qualitative Education by adopting effective pedagogical methodology has enabled children to overcome their learning deficiency by 66.8% and school drop outs has reduced to 59.19% which is a great success of our team. This year, VSP has been selected as a Lead Partner for Drop out Children Survey from Buldana district.

This year we have invested in building VSP's Senior Leadership, scaled up our interventions, strengthened the relations with our donors and engaged with new supporters, focused on improving internal processes related to HR and Administration. Executive Committee has been newly elected till 2020.

We feel there is extreme urgency to work in newer ways as the challenges in society are increasing such as weakening democratic governance systems, ecological disasters, inequality.

We hope the readers will appreciate our collective journey and will join with us in making better society for us and future generations.

Mohan Surve
Chief Executive Officer

Who are we?

VISION

A society based on equality, social justice and harmony with nature

MISSION

To facilitate communities and influential stakeholders for promoting development, equality, sensitivity towards nature and gender.

OBJECTIVES:

- To engage communities, related stakeholders to undertake the processes and program in empowering mode to change their lives for the betterment.
- In the context of holistic development undertake activities such as sustainable livelihood, Water and Soil Conservation, Sanitation and Hygiene, Quality Education etc.
- Undertake the capacity building processes at each level to build the cadre that would bring impact and sustain the efforts towards future.
- To collaborate for scaling the efforts and development models evolved in the field. Advocate for the safeguarding constitutional principles and sustainable development goals.

CLEAN WATER AND SANITATION

- Rejuvenating existing Water Infrastructures
- Creating Water Conservation Structures
- Promoting Sanitation and Hygiene at grassroots

Sustainable Livelihood

VSP is engaged in providing livelihood to the rural poor, landless and marginal famers, distressed farmers and women. This year VSP is intervened in 65 targeted villages of Buldana district with the help of Rangoonwala Foundation India Trust and EdelGive Foundation; 25 villages in Amravati district as follow up of the activities of Krushi Samrudhi project and Jal Yukt Shivar activities of GOM; 20 villages in Ratnagiri district with the support of NABARD for Rural Livelihood and Employment options. In this reporting year, VSP has reached to around 18,654 farmers through its Sustainable Agricultural practices.

Organic Nutrition Garden and Nature Farming Plots

Our successful models of Parisar Baug, establishment of Pulses Plots, Organic Vegetable Plots, distribution of Integrated Pest Management kits and Trainings on Natural Farming are major tools in promotion of Sustainable Agricultural practices. The target group mainly consists of Famers with prominent participation of women farmers.

➤ Outcomes and Impact:

- ✓ 500 Parisar Baug established - Each beneficiary saves approx. Rs.2,370/- through PB (expenses on health, purchase of vegetables from the market has been reduced).
- ✓ 70 Pulses Plots and 150 Organic Vegetable Plots replicated which benefitted around 804 family members.
- ✓ 9 Pulses Plots and 30 Vegetable Plots established benefitting 93 families.
- ✓ 9 SHGs collected 5.5 Quintals of Seeds in our Traditional Seed Bank.
- ✓ Qualitative certified seeds, generated through Traditional Seed Bank, costing approx. Rs.45,000/- were provided to 15 farmers for cultivation in Kharif season.
- ✓ Distribution of Seeds to 22 farmers of Valoti village in Chiplun block for cultivation of Parisar Baug in Rainy Season.

Livestock for Livelihood

The positive and successful impact of Training on Goat rearing and Poultry has led to establishment of 6 Goat rearing enterprises and 200 Backyard poultry units. Around 800 SHG members are involved in this initiative and are benefitting from these options of livelihood.

➤ Outcomes and Impact:

- ✓ Returns of Rs.92,000/- from goat rearing enterprises received on investment value of Rs.4,65,674/- on new lambs which is up to 19.75%.
- ✓ Through backyard poultrys, beneficiaries generated income of Rs.58,600/-.

Vocational opportunities in Agriculture

VSP aims to equip the youths of rural areas with necessary employability skills. Presently, VSP is providing vocational skill trainings mainly on Motor Rewinding and Veterinary practices to youths.

➤ Outcomes and Impact:

- ✓ Veterinary training participants are providing services to villagers. They are also helping our poultry and goatery unit holders in providing veterinary services.
- ✓ Farmers are getting prompt services for repairing of motor pumps through these trained youths.

Agricultural Equipments for Livelihood

VSP aims to bring land under proper irrigation, process and increase the production and for generation of income by providing services to neighboring farmers.

➤ Outcomes and Impact:

Sprinkler Unit:

- ✓ Around 169 acres of land cultivated and brought under irrigation through Sprinkler units.
- ✓ Production of Cotton, Tur Dal and Harbhara increased by Rs.7,63,300/- as compared to the previous year.
- ✓ By giving Sprinkler units to farmers on low cost rental basis, youths earned a rent of Rs.97,350

Spiral Separator:

- ✓ 123 farmers have benefitted up to Rs.1,47,600/- by processing their production through spiral separators.
- ✓ 20 farmers generated income of Rs.48,380/- by giving spiral separator on rent.

Flour Mill:

- ✓ Women of Savitribai Phule Mahila Mandal, Self-Help Group in Sangrampur block of Buldana district are running this flour mill successfully and providing service to their own village.
- ✓ These women have generated a profit of Rs.12,360/- from January 2018 to March 2018.

Quality Education

VSP's Education programme provides qualitative education to deficit children of migrant families from deprived sections in Zilla Parishad schools of 20 villages of Mehekar block in Buldana district .

VSP believes that the journey of Social Development begins from Education. We are successfully implementing the Right to Education Act in order to achieve the ultimate Sustainable Development Goals for the communities.

Age Appropriate Learning

- Participatory Child centric approach
- Use of Innovative Teaching Learning Materials
- Pedagogy training to Teachers
- Strengthening of School Management Committees
- Parental Engagement

➤ Outcomes and Impact :

- ✓ 3500 children overcame the deficit in education.
- ✓ Teaching Learning Materials distributed to 2000 children of Zilla Parishad Schools.
- ✓ 60 Government School Teachers are provided training for pedagogy on language and math subjects from Education Experts.
- ✓ Strengthening of 20 School Management Committees to take initiative on Child and School issues.

Enhancing Leadership and Entrepreneurship

- Formation of Child Parliament
- Active Child Groups
- Social Entrepreneurship Units

➤ Outcomes and Impact:

- ✓ 22 School Parliaments have been established in which 2965 Children are working in groups which enhances Leadership skills and Awareness regarding Rights of Children.
- ✓ 2 Tribal Residential Schools have been developed based on the Model School concept with the initiative of Child Parliament.
- ✓ 75 youth groups formed and oriented on Right to Education. They are now voluntarily involved in Education Program and have become a Role Model in solving school level issues.

Water and Soil Conservation

Rejuvenating existing Water Infrastructures

- ✓ Advocacy efforts done for establishment of Check Dams, 2 Temporary Bunds, repairing of 21 Hand Pumps.
- ✓ 2,76,47,845 liters of water became available within one month period.
- ✓ 836 animals are getting availability of drinking water.

Creating Water Conservation Structures

- ✓ Repairing of water resources such as Well recharge and deepening, Naala deepening, Bore well have benefitted – 616 families and 615 animals are getting drinking water, and around 600 farmers are getting irrigation for their farms.
- ✓ 2741 families got access to drinking water.
- ✓ Around 92 acres of land under irrigation even after hailstorm.
- ✓ Around 1370 farmers are getting irrigation to their farms.

VSP has also contributed through Tree Plantation in 16 villages of Buldana district.

naresh telkhade

Sanitation and Hygiene

Safe drinking Water, Sanitation and living in healthy environment are basic needs of the society. VSP addresses these needs through the initiatives in Sanitation and Hygiene in Vidarbha regions of Maharashtra.

Considering the fact that children are the change agents of the society, VSP intervenes with Ashram Schools which is the permanent institution in the community. Our children have brought positive behavioral changes in their own life, their family and in others.

Promoting Sanitation and Hygiene at grassroots

- ✓ 300 students from Ashram Schools became aware regarding WASH and developed a sense of protection and health.

Recognition

This year Vikas Sahyog Pratishthan has been appreciated by Mr. Rashesh Shah of EdelGive Foundation, one of our supporting partners in Livelihood programs.

VSP has been appreciated for its dedicated efforts to conserve natural resources, improve education and empower women in Maharashtra.

EdelGive has recognized our professionalism, detailed-oriented and holistic approach to development that VSP effectively carries out through high-impact programs in sustainable agriculture, entrepreneurship and education.

विकास सहयोगतर्फे वालोटी येथे बी-बियाण्यांचे वाटप

❖ चिपळूण (बातऱ्हर)

जागतिक पर्यावरण दिनानिमित्त विकास सहयोग प्रतिष्ठानतर्फे तालुक्यातील वालोटी ग्रामपंचायतीच्या पुढाकाराने बी-बियाण्यांचे वाटप करण्यात आले. पावसाळी परसबागांच्या निर्मितीसाठी दुधी, भोपळा, पडबळ, कारली, भेंडी, माठ, चिबूड, काकडी, घेवडा, शेवगा या बियाण्यांचे अत्यंत माफक किंमतीत वाटप करण्यात आले.

वालोटी हनुमान मंदिरामध्ये बियाणे वाटपाचा कार्यक्रम पार पडला. ग्रामीण भागातील जनतेला त्यांच्या दैनंदिन आहारासाठी लागणाऱ्या भाजीपाल्यासाठी सर्वस्वी बाजारावर अवलंबून रहावे लागते आणि याचे सारे नियंत्रण सर्वसामान्यांच्या हातात नसते. म्हणूनच आपल्याकडील लोकांनी पावसाळ्यातील परसबागांचे योग्य नियोजन केले तर बाजारावरील अवलंबित्व मोठ्या प्रमाणावर कमी होऊन सकस, निरोगी आणि ताजा भाजीपाला मिळेल, असे विकास सहयोग प्रतिष्ठानचे विभागीय समन्वयक बिजय कदम यांनी सांगितले. ते पुढे म्हणाले की, पर्यावरण संवर्धनासाठी देशातील प्रत्येक नागरिकाने संवेदनशीलता

दाखविण्याची गरज असून अनेक मार्गाने पर्यावरण संवर्धनासारख्या राष्ट्रीय कामात सहभागी होता येईल. दर्जेदार परसबागांची निर्मिती हे सुद्धा पर्यावरण संवर्धनाचेच काम आहे. ग्रामीण भागातील महिलांनी आता परसबागा या फक्त आपल्या गरजेच्या भाजीपाल्यासाठीच आहेत असे न समजता त्याद्वारे आपल्याला अधिक विकास साधता आला पाहिजे हा विचार करायला शिकले पाहिजे. आतापर्यंत तुम्ही बाजारातून भाजीपाला आणत होता, यापुढे तुम्हाला बाजाराची गरज भागविता आली पाहिजे. त्यामुळे वालोटी ग्रामपंचायतीने या कार्यक्रमासाठी घेतलेला पुढाकार कौतुकास्पद आहे असे उद्गार त्यांनी काढले. सरपंच अजय गोटल यांनी प्रस्ताविक केले. संस्थेतर्फे बियाणांचे वाटप करण्यात आले. ऐन पावसाळ्यात लोकांची गरज लक्षात घेऊन संस्थेने राबविलेल्या उपक्रमाबद्दल ग्रामस्थानी समाधान व्यक्त केले. कार्यक्रमाला वालोटीच्या माजी सरपंच शालिनी गोटल, सुनील कदम, रामचंद्र खोचडे, पांडुरंग उदेग, अरुण आंबेडे, बबन खोचडे, अनिल आंबेडे, शैला कदम आदी उपस्थित होते.

रत्नागिरी, गुरुवार, दि. ८ जून २०१७

वालोटी येथे कार्यक्रम : परसबागेतील बियाण्यांचे वाटप

पर्यावरण संवर्धनात संवेदनशीलता

लोकमत न्यूज नेटवर्क

चिपळूण : येथील वालोटी ग्रामपंचायतीच्या पुढाकाराने विकास सहयोग प्रतिष्ठानतर्फे जागतिक पर्यावरण दिनानिमित्त वालोटी गावामध्ये पावसाळी परस बागांच्या निर्मितीसाठी दुधी, भोपळा, पडबळ, कारली, भेंडी, माठ, चिबूड, काकडी, घेवडा, भेंडी, शेवगा या बियाणांचे अत्यंत माफक किंमतीत वाटप करण्यात आले. खालच्या वालोटी हनुमान मंदिरामध्ये हा बियाणे वाटपाचा कार्यक्रम पार पडला.

ग्रामीण भागातील जनतेला भाजीपाल्यासाठी बाजारावर अवलंबून राहावे लागते. त्यामुळे ग्रामीण भागातील जनतेने पावसाळ्यातील परसबागांचे योग्य नियोजन केले तर भाजीपाल्यासाठी बाजारावर अवलंबून राहण्याचे प्रमाण कमी होणार असून,

पावसाळ्यात अनेकजण आपल्या घरासोबरी विविध प्रकारच्या बियाण्यांची पेरणी करून उत्पन्न घेत असतात. काहीजण आपल्या घरातील गरजेपुरते बियाणे टाकून भाजीपाला करतात. त्यामुळे बाजारावर अवलंबून राहावे लागत नाही. परसबागेत भाजी तयार करण्याचा आनंद वेगळ्याच असतो.

सकस, निरोगी व ताजा भाजीपाला मिळवणे शक्य असल्याचे प्रतिपादन विकास सहयोग प्रतिष्ठानचे विभागीय समन्वयकांनी या बियाणे वाटप कार्यक्रमात केले.

पर्यावरण संवर्धनासाठी देशातील प्रत्येक नागरिकाने संवेदनशीलता दाखवण्याची गरज असून, आपण पर्यावरण संवर्धनासारख्या राष्ट्रीय कामात सहभाग घेतला पाहिजे.

दर्जेदार परसबागांची निर्मिती हे पर्यावरण संवर्धनाचेच काम आहे. ग्रामीण भागातील महिलांनी परसबाग ही फक्त गरजेच्या भाजीपाल्यासाठीच आहे, असे न समजता त्याद्वारे आपली आर्थिक उन्नती साधायी. वालोटी ग्रामपंचायतीने या कार्यक्रमासाठी घेतलेला पुढाकार कौतुकास्पद असल्याचे बिजय कदम म्हणाले.

वालोटीचे सरपंच अजय गोटल यांनी प्रस्तावना केली. यावेळी गावातील १०० कुटुंबांना संस्थेतर्फे बियाण्यांचे वाटप करण्यात आले. लोकांची गरज लक्षात घेत संस्थेने राबवलेल्या उपक्रमाबद्दल ग्रामस्थानी समाधान व्यक्त केले.

कार्यक्रमाला माजी सरपंच शालिनी गोटल, सुनील कदम, रामचंद्र खोचडे, पांडुरंग उदेग, अरुण आंबेडे, बबन खोचडे, अनिल आंबेडे, शैला कदम उपस्थित होत्या.
