Ms. Hemangi Joshi President

The nature of a social organization's work is to build bonds and nurture relationships with the people in communities. COVID-19 bought a hold to these processes. Some of our staff, beneficiaries and other stakeholders were affected by the virus. There were mobility hurdles due to imposition of lockdown. In spite of the number of challenges, we are pleased to publish the work we have been doing to share with you. This report will give you a glimpse of the work that Vikas Sahyog Pratishthan has carried out in this financial year through the stories in the field.

During the pandemic period we were supporting people with grocery kits, letting the children not to lose their education as schools were closed and empowering women through agricultural allied initiatives. Along with this we had to constantly work on the concerns of Physical and Mental health because both were impacted in the communities at large. This working experience gave us an insight that the cooperation and participation of NGOs complements the government policies and programs. The mental health of our workers is also tested while facing this situation created by the disaster. During this time, the Board of Trustees also experienced the importance of communication with each other in the areas like maintaining positive mindsets within our organisations.

We are now beginning to anticipate and strategize the approaches for the next year with all due precautions and safety.

We hope to receive your continued support as always!

Mr. Mohan Surve Chief Executive Officer

Vikas Sahyog Pratishthan always believed in a perspective of holistic development and community empowerment. However the path is becoming more and more difficult as more numbers are increasing in the unorganised sector due to the economic and ecological crisis around us. The COVID-19 pandemic has created havoc in all spheres of society and organisationally on us too. But still we all are working with all our energies on the concerns of society considering our strategic priorities.

The glimpses of change stories of the community members, thematic processes, outcomes, financials, organisational structures, supporters etc. will give you the idea of nature of our work and possibility of networking amongst us.

We acknowledge the kindness of supporters, experienced leadership of the Governing Board, dedicated efforts by the team operating from different field locations, Qualitative inputs from the services providers and the advisors.

Look forward to your suggestions and engagements in possible manner.

1. Annual Work in the strategic context of VSP

VSP believes in being strategic in actions. Thus while sharing this report we have tried to reflect on our vision and the direction to understand whether organisational work is coherent to our articulated strategies. VSP does the periodical strategic planning as per the needs and modify the structures and interventions to be more meaningful.

The vision of the organisation is "Promoting Social Equity and Harmony with Nature" is continuously kept in consideration. With this direction we foresee to facilitate & empower the society with a sense & responsibility of promoting inclusive governance and sustainable development.

While fulfilling the present needs of the marginalized communities without compromising the ability of future generations to meet their own needs in this period we had also gone through a tough period of COVID-19 pandemic our Mission statement has been a guiding force. Our Mission Statement is "To facilitate cadre empowerment processes at all levels in society for promoting inclusive governance and sustainable development." In this direction we empower leadership, promote more participatory governance to take up the responsibility in improving, generating & maintaining resources and sustainability for future generations.

So while working for an integrated development especially through Education, Health, Environment and natural farming initiatives through collective governance for Sustainable Livelihood processes. And to bring well-being and selfdetermination within Women, Children, Youths and Farmers from vulnerable communities to nurture and enhance their capacities. We have tried to adopt creativity by recognizing ideas, alternatives or possibilities in solving problems by out of box thinking, using skills or imagination. Take accountability by accepting responsibility for our own actions. Maintains transparency by being open, honest and straightforward. Practices integrity by following strict ethics and moral principles & empathizes by experiencing feelings of our stakeholders.

2. Actions governed with diverse expertise

Below are the pillars of the organization in the form of Board Members. Most of them are having more than 25 years of work experience in the social sector on thematic areas such as education, livelihood, women's issues, land rights as well as leading social organization

The Governing Board

President Ms. Hemangi Joshi

Secretary Ms. Sangita Malshe

Treasurer

Mr. Dattatray Patil

Members:

Dr. Vaishali Patil, Mr. Nitin Paranjape, Dr. Kishor Moghe, Dr. Narendra Pawar

The current Board Members were elected at the Annual General Meeting held in 2020 upto serving year 2023. The General Body consists of 14 members representing individual and organisational membership.

* No remuneration paid to any Board Member during 2021–23. No Board Member has any blood relation with another Board Member or with any of the staff members.

3. Passionate team leading the Interventions

VSP is functioning with an immense contribution of 80 staff in the financial year 2020-21. Staff consist of 53 womens, 27 mens. Our staff is well versed & experienced in the field of academic, community engagement, cultivation techniques and spread out in whole of the state implementing projects from Mumbai, Buldhana, Amravati, Ratnagiri, Dhule, Ahmednagar to connect with donors, to help & guide the community in need.

Mumbai :- Mohan Surve, Vinod Chavan, Mahesh Shelar, Sayali Rane, Sonali Kamble, Pooja Pawar, Kuldipak Jadhav.

Ratnagiri :- Vijay Kadam, Lalesh Kadam, Vaibhav Kadam.

Buldhana:- Rahul Khadse, Manoj Dawale, Umesh Rathod, Deepak Pahurkar, Vaibhav Mali, Sagar Mhasal, Sandip Dhote, Sharda Kawale, Vitthal Pachapor, Sapana Dhote, Sarala Dhote, Seema Jadhao, Vandana Karwate, Nayana Nalegavkar, Jyoti Ambhore, Shradha Fatangake, Priti Hiradkar.

Dhule :- Arvind Khadse, Jayesh Wadile, Jayashri Patil, Bharati Pawar, Sima Gaikwad, Sunita Bhise, Jagruti Patil, Shital Patil, Vaishali Gawali, Sidharth Devare, Ashwini Patil, Bhushan Patil, Dinesh Suryvanshi, Pawan Kolekar, Pawan Kolekar, Dnyaneshwar More, Rahul Patil, Umesh Davare.

Ahmednagar :- Bharti Matre, Savita Gaware, Nishant Khadse, Rajendra Ghule, Anjali Dhanawale, Smita Ingale, Rohini Kotkar, Sonali Lodhe, Seema Raykar, Swati Ekshinde, Mira Jaware, Vikas Thorat.

Amravati :- Sharad Chakule, Suraj Pawar, Sarwa Uike, Sarwa Uike, Pramila Kasdekar, Rambhay Tandilkar, Mohini Uike, Rita Parte, Ravina Bavankar, Pramila Dhikar, Kavita Munde, Kavita Reche, Dhanshri Shrimantwar, Sudiya Dhurve, Pramila Sawalkar, Anandi Bhilavaker, Chaya Morirana, Sarita Sakome, Savita Kasdekar, Vaishnavi Metkar, Lalita Sawalkar, Arti Dhikar, Rakhi Maraskulle, Jaya Khandare,Sunita Bhilawekar

4. Addressed needs of vulnerable communities

In various geographical areas we have worked to empower vulnerable communities through various Development Programmes mainly related to Livelihood, Education, as well as relief work during the pandemic crisis also as and when needed.

4.1 Livelihood Based on Agriculture & Biodiversity

VSP has always focused on introducing livelihood options in the villages of Buldana, Dhule, Amravati which are Agriculture-allied activities such as Parisar Poshan Baug, cultivation of Vegetable and Pulses Plots by organic methods and use of natural resources. Apart from this, youths are provided with agricultural equipment such as Sprinkler Separators and Spiral Units which will enable them to rent it to other farmers in the villages and also for personal agricultural use. In Ratnagiri district Women Joint Liability groups are provided credit linkages through local banks for the enterprises they desire.

Graphical presentation

- 3094 women have become regular practitioners of organic farming
- 8084 landless farmers have been supported through agricultural equipments and vocational livelihood op

portunities

- 19646 households of Buldhana have
- 200 groups formed for credit linkages.
- 100 hens distributed for livelihood sources.

• 100 communities encouraged for goat revolving method for income generation

4.2 Inclusive & Quality Education

Educational programmes are designed to bring a holistic development in children at school level in Ratnagiri, Dhule, Ahmednagar & Buldhana. A targeted approach to give quality education to children through remedial classes wherein value based learning is focused along with sports and co-curricular activities along with developing child-friendly infrastructures in schools, educating the community during distress through developmental leadership of child parliament children members with an aim to make them better & civilized citizens.

Infrastructure support is given to ensure students have a joyful learning environment in 10 Schools in Ahmednagar, 10 Schools of Ratnagiri district affected by the Nisarga Cyclone in 2020 are developed as well as conducted remedial classes to reduce deficiency within children from 08 schools of Dhule. Our 7 years initiative of reducing the educational deficit in 10 Schools of Buldhana is continued this year too.

Our inclusive education programme along with infrastructure development has gone a long way in improving scholastic performance and infusing confidence in children!

4.3 COVID-19 Pandemic Response

The footprints of COVID-19 pandemic hit the globe claiming the lives of people at an unprecedented rate. Vikas Sahyog Pratishthan did their share of relief Mumbai and Rural Communities of Amravati district & Ratnagiri district with the support of various resources and donors.

RESPONSE	BENEFICIARY	ACTION
Immediate relief of food security to fight fatigue and hunger	Slum-residents, Daily wage earners, contract labourers, migrant passengers, drivers.	 Cooked meals to 2000 Passengers moving back to their natives via <i>Shramik Train</i> arranged by Central Railway. Grocery support to 10,955 families
Preventive safety material	Public healthcare professionals: Doctors, Nurses	• Safety materials to 2750 frontline workers - Masks, Sanitizers, PPE Kits, Gloves etc.
Sensitizing through communication	Rural underprivileged communities	 Poster campaigns, IEC materials, flyers in markets areas and rationing shops, Information awareness through street plays.
Initiatives by rural beneficiaries from our field	Rural underprivileged communities to sustain villagers during pandemic	 Cotton Masks work for women's Tailoring units. Support villagers through existing beneficiaries of Parisar Poshan Baug, Poultry and Goatery so as to avoid visiting markets for vegetables, eggs and meat.

Fighting in the Pandemic situation to provide relief in COVID-19

The fight against COVID-19 needed as many hands available as one couldn't turn a blind eye to this changing world order which has not only impacted the economy but also customized us to how we work and adjust to our daily lives. The pandemic had gripped the world & tested our recovering capacity to overcome it.

When the pandemic hit the country, VSP again provided its deep connection in combating various socio-economic issues, and has been a natural partner in this endeavour as VSP understands the pulse at the grassroots and engages closely with communities. Realizing the gravitas of the situation, VSP has worked relentlessly on the ground and provided critical services to vulnerable groups of people.

Affected by the curfew imposed in Maharashtra in view of the coronavirus pandemic, VSP knew much more is needed to alleviate the spread of the disease. The movement restrictions to curb the spread of virus created an economic crisis on top of a public health emergency disrupting the livelihoods of many and putting them in such a situation unable to afford food or essential hygiene items such as soaps, masks, and sanitizers.

As COVID restrictions disturbed the lives & livelihoods of the people in the economically weaker sections of society, VSP took an active role in distributing free 7724 dry ration kits to people residing in the ABC slums of Mumbai

VSP provided Dry Ration Kits -

As Covid-19 lashed the world, frontline workers risked their own lives to save others and have truly been selfless warriors, giving everything to uphold their job responsibilities, even at the cost of cutting themselves off from their families and loved ones. Hence to protect our protectors 2002 PPE kits were provided to Public Health Centers, Government Hospitals, Police and traffic personnel in ABC areas of Mumbai.

VSP distributed PPE kits to the frontline workers -

Hit by lockdown, stranded on roads the daily wage labourers, who live from hand to mouth, are struggling to make ends meet as the COVID-19 lockdown has been a setback in the usual routine. Hence to rebuild their lives VSP has supported 2000 labour travelling back to their home town with 2000 kits including basic hygiene essentials, snacks & water etc.

VSP taking care of labours travelling back home

6. Change Stories

6.1 'From Plot to Plate'

Parisar Poshan Baug model, is a producer of fresh fruits, vegetables, delicious, healthy meals with a

significant number of vitamins and minerals which the human body needs to maintain good health and cheer by also maintaining haemoglobin levels. The PPB's have been established and encouraged with an objectives to promote sustainable agricultural practices, to provide nutritious food for the family by saving on the amount incurred for vegetables to be utilized for

other beneficial purposes, for regular and steady income by the by sale of the produce with maximum output and a continuous supply of vegetables.Here, the farmer has a wide choice to select suitable crops which adjust the cropping pattern in a given climatic situation, soil conditions of the region grow different vegetables with a year-round visual appeal. Vikas Sahyog Pratishthan's this model has been audaciously supported by Edelgive Foundation, Rangoonwala Trust India & HDFC.

Could we ever imagine losing everything we owned. Not only that, but you also our livelihood, our ability to feed yourself and your family.Suvarna Pavan Shingade, a farm laborer beneficiary from Kherdi supported by RF(I)T was implemented the PPB model in her unused land where she was able to plant 18-19 varieties of nutritious fruits and vegetables which help her & her family improve their health graph as well as she produced enough vegetables for her family consumption, which saved her family's INR **2000/-** in food expenses. In addition to growing for her family, Suvarna was able to sell some of the vegetables she'd grown. By the end of the month, her household had earned about **INR 400**/. She later started urging other villagers about the PPB by positive experience and benefits, the PPB initiative is now implemented by her villagers and villagers

6.2 'Exceeding Deficiency'

Many primary school-age children demonstrate significant difficulties while reading, writing, apprehension etc in the classroom. Students from grade 3rd to 5th significant difficulty in early literacy skills and auditory processing. VSP observed that the skills were significantly below grade-level in reading and writing. These children's writing in the fall was just random letters. Children were not able to segment a simple word, number or a sentence, it was observed that the skill was below level in reading and math and had trouble with comprehension. Post this intervention these children started receiving academic intervention & support in reading and math, as well as speech/language under our Age Appropriate Learning project supported by MASKATI trust. These now is attempting new tasks, participating in classroom discussions and activities independently, Presents as a generally happy childs who are now excited to learn and be in school through online & offline learning

6.3 'Raising Hens to Raising Income'

Poultry farming provides the most high yield with less space & less capital. Giving you a quick return on your investment with fewer maintenance.

Mrs. Sarubai Gulab Bhil a resident of Hendrun village in ABC district is a small and landless farmer and has been a source of hope & inspiration to many women in her village. She has not only sustained this income generation project but has also emerged as a women leader through VSP's poultry intervention supported by HDFC. She was provided 25 Chicks of the Kaveri Breed with a Drinking Water Pot and Vaccination Kit. Being a farmer, she learnt the rope quickly by proper guidance and instructions were given by our Field Coordinators.

Currently, the Poultry Model is blooming effectively in the backyard of Ms. Sarubai's House. 13 New Chicks are born and 10 have started producing eggs. The family and the villagers are overwhelmed to see such positive results. They are very much thankful to HDFC Bank for the support and to VSP for its guidance and implementation.Ms. Sarubai is now able to clear the educational expenses of her children for which she used to take a small loan from fellow villagers. She is earning a Net Income of INR 2,700/- per month after clearing the expenses of INR 300/for maintenance of the Poultry Unit.

6.4 'From Witch Doctor to a Regular Doctor '

Superstition is a widespread phenomenon especially in the rural parts of the state. Superstition is a belief which contradicts & misunderstands modern science. Superstitions are usually attributed to lack of education & awareness about scientific understanding. Most superstitious beliefs are dangerous, unconstitutional which leads to loss of human life.

Ramoti Rajkumar Bhusum a 27 year old mother & resident of Butida of Chikhaldara Block in Amravati district is a mother to a 2 year young son/daughter . Ramoti was suffering from an undiagnosed infection which had given her a wound on her breast, the wound kept on deepening due to negligence & lack of medical attention. No improvements were seen as she followed & believed in traditional & superstitious methods of treatment and had a bizarre fear about hospitals. One of our CNW workers, M. Kavita Reche, under our Nutrition India Project supported by Plan International, tried to convince her about institutional treatment and the importance of VHSND and Medical services. Continuous house visits were conducted for in depth discussion with her on breastfeeding and the importance of treatment. She was continuously counselled via videos on breastfeeding and sanitation

7. Awards & Recognition

Through the years, Vikas Sahyog Pratishthan's work has been recognised by several organisations and institutions. We are thankful for their faith and belief in our services by giving us such an honour. It encourages us and instills a sense of belief that we are on the right path whilst reminding us of the great responsibility we carry toward our community. VSP also has received many certificates, nominations, memberships and awards, some of which are mentioned below:

Awarded in the category of 'Certificate of Merit' for its persistent efforts towards "Making a Difference" (MAD), Maharashtra - by World CSR Congress – 2021
