VOLUNTEER

What brings you to the Northern Himalayan region of India?

Have you volunteered before? If yes, what was your contribution?

Duration of the previous volunteer work

What are your key interests in this sector? (Education, Livelihood, Health etc.)

How do you think you can contribute to our Organization?

Do you have the financial resources to support and live here for the volunteer duration?

Spiti Valley

Have you been to Spiti Valley before?

Have you visited our school?

How did you come across our school?

Spiti Valley is a cold desert mountain valley located in the higher Himalayas, with temperature decreasing up to -30C during winter.

Do you have any significant medical issues?

Terms and Conditions

1. A volunteer staff will be required to serve for a minimum period of **three months**, to have a substantial contribution to the school.
2. If any medical issues, the volunteer should let the school informed beforehand.
3. Once the duration of the volunteer gets over, you are supposed to submit a documentation report of the work you had contributed to the school.
