OUR MEANING OF SUCCESS IS THAT THE PEOPLE OF THE REMOTE VILLAGES GET THE SAME BENEFITS AS THE PEOPLE IN THE TOWN AND CITIES, SPECIALLY IN THE AREA OF HEALTH AND EDUCATION.

This famous statement by Mahatma Gandhi"
The future of India lies in its villages"–

Out of India's over one billion population about 75 percent live in villages. Hence the real progress of India is the development of the villages in India. We aim to take a small step in this direction.
