## FROM THE BOARD OF TRUSTEES

Dear friends .

The year 2021-22 was definitely better than the previous year, though covid was still lurking and was at the back of everyone's mind. We have most of our programs in the village government school which normally has all the facilities and is easily accessible to the villagers. Since the school was closed in the earlier part of the year we had to restrict our programs However in the latter part of the year the schools were fully open so we could have two projects in the same day in some villages.

We are happy we could start two new projects -1) DENTAL CHECK-UP & AWARENESS CAMP with the help of Bopal Dental college and (2) i-BREAST SCANNING CAMPS FOR WOMEN with the help of Health and Care Foundation . Thus, our aim to provide the benefits of the latest medical technology to the villagers as enjoyed by the urban dwellers is being fulfilled.

We thank R Kumar Opticians for providing us with quality spectacles for our various Eye Camps.

We plan to have more health care projects in the coming years. We also hope to cater more villages.

We thank all our donors for their support and to our various volunteers and well-wishers. This report highlights all our activities and we look forward to your suggestions and feedback to enable us to do better.

We value your continuous patronage and solicit your support

## OUR AIM & OBJECTIVES

To adopt rural and remote villages which lack necessary infrastructure and other much-required amenities like healthcare facilities, education, proper sanitation and clean drinking water. We also aim to provide livelihood programs and promote healthy living.

### OUR VISION

Credibility, Transparency and Accountability to the people of village with honesty and trust.

### OUR MISSION:

Healthy, educated and self-reliant village.

### WHAT WE HAVE BEING DOING

#### ADOPTION OF VILLAGES

We have ten villages adopted in Gujarat

#### HEALTH CARE

Diagnostic health check up & free medicine distribution camp.

**EYE CAMPS** with free distribution of eye drops & spectacles. Facilitating free cataract operation.

**ENT CAMPS** With check up of hearing & distribution of hearing aid machines at reasonable rate.

#### DENTAL CAMPS

**Diabetic check up & awareness camp**

### EDUCATION:- AWARENESS CAMPS

**WOMEN HEALTH AWARENESS CAMPS.** Educate the villagers on prevention of sickness and on cleanliness. Promotion of menstrual hygiene by educating women in the village on using hygiene products like sanitary napkins.

We provide free sanitary napkins and iron tablets to the village women.

### ADOLESCENCE PROGRAM

As a part of our awareness we have started new sports activities at Villages Ghoda and Jalampura District Viramgam. The Idea behind this is to develop skills of student and prevent them from cultivating unhealthy habits and with a view to divert the minds of the adolescents from unhealthy and unproductive activities & creating aspiration to do good in life.

### ECONOMIC–LIVELIHOOD

#### TO CREATE OPPORTUNITIES IN THE VILLAGES FOR THE YOUTH & WOMEN:

Encouragement is given to the farmers as well as women to have small business activities to supplement their income. This will reduce the village youths from migrating to and nearby towns for higher education and employment.

### SWATCHTA ABHYAN

Free distribution of dustbins, brooms , bamboo brooms, garbage bags to Gram Panchayats to keep village clean.

A small contribute, towards the development of our villages.

# HEALTHCARE EDUCATION FOR RURAL VILLAGES ADOPTED

DATE	VILLAGE	PROJECTS IN 2021-22
30 Jun 21	Village Rasikpura	<b>VACCINATION AWARENESS PROGRAM</b> To motivate people to take vaccines we distributed handbills describing the benefits of vaccination, toilet soap for men and for women we gave sanitary pads and chappals, to those who were vaccinated. Total 70 villagers were vaccinated on that day. Overall more than 65 per cent of the village population has been vaccinated in three rounds
1 Jul 21	HEBATPUR	<b>TREE PLANTING</b> We had a successful tree plantation drive in association with the Rotary Club of Ahmedabad North We have planted 65 tree plants of many types in the plot of gam panchayat with help of villagers.
15 AUG 21	HEBATPUR	We celebrated the Independence day at the village. We had <b>SWACHTA ABYAN</b> , cleanness awareness program. We gave five sets of broomsticks, brooms and dustbins to the village. We also distributed some pamphlets on cleanliness. to make them aware of how important it is to keep their village clean thus prevent various illness.
16 SEPT 21	GHODA	<b>DENTAL CHECK-UP &amp; AWARENESS CAMP</b> in association with Bopal Dental Collage, Ahmedabad. Those who have problems have been advised for further treatment at Bopal, Ahmedabad in a trust hospital at minimum cost.
30 SEP 21	KALOLI	<b>DENTAL CHECK-UP AND AWARENESS CAMP</b> in association with Bopal Dental collage Ahmedabad...total of 60 villagers had participated (22 male and 38 female) out of which 15 senior citizens ( 11 male and 4 female )We gave Medicine free of cost sponsored by Rotary Club of Ahmedabad North We also gave toothbrushes and paste to all participants. They were also taught how to use the toothbrush.
23 OCT 21	RUDATAL	<b>DIAGNOSTIC HEALTH CHECK-UP &amp; FREE MEDICINE DISTRIBUTION CAMP</b> association with SAL hospital Ahmedabad of Bhopal of Total 68 ( 28 male and 40 female ) village people participated out of this 26 senior citizens ( 12 male and 14 female). We had ECG, diabetic check-up and a lady doctor attended to the problems of the village women
29 OCT 21	GHODA	<b>DONATED COMPUTER SET</b> TO PRIMARY SCHOOL. <b>MAHILA AATMA NIRBHAR</b> project / Livelihood program We also met women for making begs (thela) under our MAHILA AATMA NIRBHAR PROJECT, who are ready to stitch bags. A total of 10 women are ready to work so we have given them clothes to prepare bags. A donor was kind to give us the clothes <b>WOMEN HEALTH AWARENESS PROJECT.</b> We also had women from the village to discuss issues relating to their health. We plan to have a special health check camp for them. A total of 25 women remain present we have distributed 180 sanitary pads to them (For Ghoda and Jalampura villages).

# HEALTHCARE EDUCATION FOR RURAL VILLAGES ADOPTED

### Portable Screening Machine

#### I-Breast screening camp in association with Health and Care Foundation, Ahmedabad

The purpose of I-Breast Screening Camps is for spreading awareness and early detection of Breast Cancer by i-Breast Exam with a portable device and provide immediate report. i-Breast is a device that enables health workers to identify non palpable breast lumps in just a few minutes, without pain or radiation. i-Breast has sensors

that accurately assess & identify tissue elasticity differences between hard & stiff breast tumors versus normal breast tissue. If diagnosed early morbidity and mortality can be minimized. We have been having this program in most villages. Since the village women are very conservative, it is difficult to make them participate in such camps.

Our object has been to provide the benefits of latest medical technology to the villagers as enjoyed by the urban dwellers. Listen to

<https://www.facebook.com/hervafoundation/videos/4998904200165425>

## Dental check-up and awareness camp at various villages in association with Bopal Dental collage Ahmedabad

Surprising fact was that many young children had decaying teeth. The village children having milk teeth have no excess to toffees and chocolates as in the cases of city children but still have decaying teeth. Later on enquiring we found It was surprising that many of the students did have a bit of the masala from their parents. No doubt many of the students had started having tooth problems. We then started having interactive session with students in there class room where they were taught how to keep their tooth healthy and clean.
