HEALTHCARE
EDUICATION FOR
RURAL
VILLAGES
ADOPED

Mahatma Gandhi said
" The future of india lies in its villages"

OUR AIM

OUR AIM

To adopt rural and remote villages which lack necessary infrastructure and other much-required amenities like healthcare facilities, education, proper sanitation and clean drinking water. We also aim to provide livelihood programs and promote healthy living.

OUR VISION

Credibility, Transparency and Accountability to the people of village with honesty and trust.

OUR MISSION:

Healthy, educated and self-reliant village.

WHAT WE HAVE BEING DOING

ADOPTION OF VILLAGES

We have ten villages adopted in Gujarat

HEALTH CARE

Diagnostic health check up & free medicine distribution camp.

EYE CAMPS with free distribution of eye drops & spectacles. Facilitating free cataract operation.

ENT CAMPS With check up of hearing & distribution of hearing aid machines at reasonable rate.

DENTAL CAMPS

Diabetic check up & awareness camp

EDUCATION:- AWARENESS CAMPS

WOMEN HEALTH AWARENESS CAMPS. Educate the villagers on prevention of sickness and on cleanliness. Promotion of menstrual hygiene by educating women in the village on using hygiene products like sanitary napkins.

We provide free sanitary napkins and iron tablets to the village women.

ADOLESCENCE PROGRAM

As a part of our awareness we have started new sports activities at Villages Ghoda and Jalampura District Viramgam. The Idea behind this is to develop skills of student and prevent them from cultivating unhealthy habits and with a view to divert the minds of the adolescents from unhealthy and unproductive activities & creating aspiration to do good in life.

ECONOMIC-LIVELIHOOD

TO CREATE OPPORTUNITIES IN THE VILLAGES FOR THE YOUTH & WOMEN:

Encouragement is given to the farmers as well as women to have small business activities to supplement their income. This will reduce the village youths from migrating to and nearby towns for higher education and employment.

OTHER ACTIVITIES

Celebrated Swchhataabhiyan in villages of with the help of villagers Sarpanchs We also made free distribution of dustbins, brooms, bamboo brooms, garbage bags to Gram Panchayats to keep village clean. A small contribute, towards the development of our villages.

HERVA FOUNDATION as- RURAL PARTNERS.

**At HITCON – HEALTH TECH
CONFERENCE organised by
Management Medicos every year.**

**HERVA FOUNDATION indebted to the
medical fraternity to help achieve our
objective of bringing health care & health
awareness to the village doorsteps.**

JHUTE PAHAN KAR SCHOOL CHALE HUM

In continuation of our Mission to create health and hygienic awareness in villages, we distributed shoes and socks free of cost to students of Std 1st to 5th (boys and girls) in the various villages. We have distributed more than 1000 pairs of shoes & socks.
