

Leadership And SKILL Development

CEEEO India is conducting Leadership and Personal development classes across villages in Rural India and especially in Jammu and Kashmir state in collaboration with National Youth Project, Ministry of Youth Affairs and sports under National Youth Kendra Sangathan. The organization has trained more than 1,00,000 Youth in skill development and personality development and always in touch with respective state Governments and departments to empower youth through livelihood and empowerment schemes. The organization has launched skill development courses in Computers, handicrafts, Handlooms, Jute Bag making and revival of Kashmiri Arts since 1990 . we are very thankful to our Prime-Minister of India, Shri-Narendra Modi ji for promoting Youth empowerment and development schemes across India and the contribution provided by this organization on grass-root level has been acknowledged by His Excellency.
