## COVID 19 RELIEF WORK BY NANRITAM

Dear All ,

In the wake of the lockdown owing to the global pandemic caused by the Novel Coronavirus (Covid-19) there has been a severe disruption in normal day to day activities. This pandemic marks an unprecedented time in modern history that will require the best of humanity to overcome.

NANRITAM is trying to supplement the efforts of the Government and other agencies in COVID-19 outbreak relief work to meet the pressing need of the afflicted, specially the poor and needy among the tribal population, the elders, the homeless, the daily wage worker, the road side dwellers, the migrant workers and other distressed people of 20 blocks of Purulia district.

The blocks are Para , Raghunathpur 1 and 2 , Purulia 1 ,Purulia 2 Hura, Kashipur ,Joypur , Puncta, Manbazar 1, Manbazar 2, Arsha , Bagmundi , , Balarampur, Jhalda 1 , Jhalda 2 , Bundwan, Burabazar etc.

The Pandemic and the consequential global lockdown has been particularly harsh for the poor and the marginalized. The needs are huge and our resources are meagre in comparison.

Till September 2020 we had been able to arrange packed rations (comprising rice, lentil, soyabean nuggets, oil, potatos, salt, special nutrition supplement "Nutrimix" provided by CINI India ) and soap for **10500 families in 20 blocks of Purulia district. Cooked food had been distributed among 30,000 migrant workers.**

We have been supported by quite a few individuals and organizations specially Parivaar, CINI, INSAF-USA. We would like to acknowledge our indebtedness to all of them.

All members of the Nanritam team residing in our campus at Para, Purulia, irrespective of their rank and status are sharing in this labour. Senior doctors with high level of specialization, highly qualified teachers of our school, nurses and paramedics who keep our hospital running along with those who work in the campus' kitchen and tend the garden and guard the gates have joined hands together irrespective of their rank and status, to keep the relief operation running.
