EYE FOUNDATION

**FIGHTING
AGAINST
BLINDNESS**

A 100 Bedded Tertiary Level Referral Eye Hospital

Inspired by the life and work of Swami Lokeshwaranandaji Maharaj, a Revered monk of the Ramakrishna Mission Order, NANRITAM was formed to carry forward the legacy preached by Swami Vivekananda

“Service to man is Service to God .”

Swami
Lokeshwarananda Maharaj

NANRITAM , a not for profit welfare organization (Redg. No. S/11/8102 of 2001 – 02) upon undertaking the integrated rural development project in the extreme remote, underdeveloped and tribal villages of Purulia , West Bengal, realized that eye problems especially cataract induced blindness is a major health issue among the concerned population. Lack of awareness (that the eye problem is treatable) coupled with absence of proper medical services was pushing a significant proportion of the concerned population into the realm of darkness, hence a burden for their families and society at large.

NANRITAM, in an effort to provide timely medical intervention and prevent needless blindness launched an eye-care programme in 2006 from a mud hut based in Para block of Purulia. The programme started off as monthly clinics by the ophthalmologists travelling from Kolkata. The cataract cases detected at the clinics were taken to Kolkata where operations were performed at surgeon's city based eye-care centre and patients were then brought back to their base villages. All services were provided absolutely free of cost, with due care and compassion. Increase in quantum of cataract cases detected demanded that facilities be set-up in Para itself to perform the surgeries. The first step towards this horizon was setting up of a 6 bedded eye-care hospital at Para in 2008. Today, the humble 6 bedded eye-care initiative has taken the shape of a 100 bedded Tertiary level, Referral eye-care Super-Specialty Hospital -- Lokeswarananda Eye Foundation(LEF).

Lokeswarananda Eye Foundation currently runs cataract clinics, glaucoma clinics, squint clinics and retina clinics. The outreach activities of Lokeswarananda Eye Foundation cover LWE blocks of Purulia, Bankura and Paschim Medinipur , non LWE blocks of same districts in West Bengal and some areas of Jharkhand . In the past financial year, Lokeswarananda Eye Foundation has touched and changed the lives of over **2,02,602** patients and has conducted a total of **1243** out-reach clinics.

Regular OPD services started at Para,
Purulia with few basic instruments at
this mud house in the year 2007.

At Lokeswarananda Eye Foundation(LEF), we believe that each individual has the right to live with dignity and independence. Absence of vision makes a person dependent on others and a liability to their families. The most vulnerable population are those residing in remote, interior, underdeveloped villages. Our mission is to reach out to as many such patients and help to restore their vision, thereby gifting the patients a second, colourful life.

JOURNEY BEGINS

Lokeswarananda Eye Foundation conducts fortnightly clinic in 23 LWE blocks of Purulia , Bankura and West Midnapore. Thus, in a month Lokeswarananda Eye Foundation conducts minimum 46 camps in the LWE blocks. This initiative of Lokeswarananda Eye Foundation is financially supported by NRHM, allowing Lokeswarananda Eye Foundation to reach out to interior-most villages and provide free of cost eye surgeries to the extremely backward population.

As per the Government order Lokeswarananda Eye Foundation performs fortnightly clinics in BPHC /PHC of under mentioned blocks in the 3 districts shown in the maps.

Distances covered by outreach clinics (from LEF)

- 13) MIDNAPORE - 196 K.M.
- 14) JHARGRAM - 193 K.M.
- 15) SALBONI - 175 K.M.
- 16) BINPUR (I) - 175 K.M.
- 17) BINPUR (II) - 192 K.M.
- 18) JAMBONI - 187 K.M.
- 19) GARBETA(I) - 137 K.M.
- 20) GOPIBALLAVPUR(I)- 191 K.M.
- 21) GOPIBALLAVPUR(II)- 210 K.M.
- 22) SANKRAIL- 225 K.M.
- 23) NAYAGRAM- 229 K.M.

- 9) RANIBANDH- 128K.M.
- 10) RAIPUR- 135K.M.
- 11) SARENGA- 135K.M.
- 12) SIMLAPAL- 115K.M.

- 1) ARSHA - 51 K.M.
- 2) JHALDA(I) - 70 K.M.
- 3) JHALDA(II) - 60 K.M.
- 4) BAGMUNDI - 87 K.M.
- 5) BALARAMPUR - 60 K.M.
- 6) BARABAZAR - 63 K.M.
- 7) MANBAZAR(II) - 68 K.M.
- 8) BANDWAN - 88 K.M.
