PROJECT SASHAKTI (WOMEN EMPOWERMENT)

Since the inception of DAPTA, women empowerment has remain as a core component of intervention. DAPTA has been working relentlessly towards the socio political and the socio economic empowerment women. With regards to Women Empowerment, DAPTA is working with elected women representative of 97 Gram Panchayats in 6 block of Kalahandi District. DAPTA is trying to ensure enhanced transparency and accountability at panchayat level by augmenting the knowledge , skill , capacity and efficacy of the elected women PRIs through several capacity building programme. The enhanced capacity and efficiency of the women PRI members in turn significantly contributes towards the realization of several social security benefits to the people and more specifically to the women and effective implementation of plans and programmes at gram panchayat level. The women PRIs are playing a crucial role in reducing violence against women at household level and community level as well. This year DAPTA has undertaken several activities as follows in order to achieve the desired objective with enhanced capacitation of EWRs .

Project Title - Enhancing Capacity Building of EWR And Strengthening Women's Leadership in Local Governance
Area of Operation- 6 nos. Block of Kalahandi.

ACTIVITIES CARRIED OUT

SL NO	NAME OF ACTIVITIES	NO OF UNITS	OUTPUT
1	Need Based Workshop on livelihood and Gram Panchayat	12	Two days Need Based Workshop on livelihood and role of Gram Panchayat were organized in 06 blocks i.e junagarh, Bhawanipatna, Karlamunda, koksara, lanjigarh and Thuamul Rampur. 360 Women PRI members from 97 GP participated. Officials of horticulture, veterinary department, Odisha livelihood Mission and faculty of SBI-Rural Self Employment Training Centre attended as resource person.

PROJECT SHYAMALA (LIVELIHOOD ENHANCEMENT AND FOOD SECURITY)

The main source of livelihood of the people in Kalahandi is agriculture. DAPTA is working in Bhawanipatna block of Kalahandi district to enhance the livelihood security of its targeted population. Most of the families where DAPTA works are small farmers, Marginal farmers and share croppers. From the inception of DAPTA, the organization is working with small and marginal farmers to enhance their farm income to enhance their economic status. Since Women plays equal role like men in agriculture, DAPTA has organized women farmers through SHGs & Cooperatives and offering hand holding support by building their capacity and providing forward and backward linkages. The women farmers are doing commercial vegetable cultivation through an organic mode. They are producing vegetables round the year. The vegetables produced by the women farmers have high demand locally and in Bhawanipatna town too. To upscale the knowledge and skill of farmers DAPTA organized periodical training programme for the farmers besides on site field level orientation. The cooperatives to their credit have setup 2 nos. of weekly farmers market for easy and early selling of their produces. Apart from the training DAPTA has also organized exposure visit & district level inter face of the stakeholders to minimize the constrains and to maximize the opportunities. During the year 2018-2019 the following activities/programmes were carried out to enhance the livelihood security of the targeted farmers and community.

PROJECT TITLE- “Empowering women of vegetable growers co-operative.

Area of Operation: - Bhawanipatna Dist. Kalahandi.

Activities Photo

Project Title- FARMER PRODUCER ORGANIZATION
Supported By- NABARD, HO Bhubaneswar.

Objective -The main objective of the Farmers Producers Organisation is to ensure better income for the producers through an organization of their own .Small producers do not have volume individually to get the benifities if the economies of the scale. Besides in agricultural marketing ,there is a long chain of intermediaries who very often work transparently leading to the situation where the producers receives only a small part of the value that the ultimate consumer pays . Through aggregation ,the primary producers canavail the benefities of the economies in scale .They will also have better bargaining power .

DAPTA has formed 2 nos of Farmer Producers Organisation and in the process of building their capacity in order to ensure better livelihood for the FPO members.

Project Title- Promotion of Clean and Renewable Energy
Area of operation- 3 remote tribal villages of Lanjigarh Block

DAPTA is working in Lanjigarh block of Kalahandi District which is a very remote and inaccessible area. There are many villages where reach of electricity is an big problem. Electricity has a big role in education and livelihood also. Witnessing peoples problem and their interest to have solar light in their house, DAPTA has played a big role in providing solar light in 100 household of three remote village of Lanjigarh block with the support of Bare Foot College (SWRC) Rajasthan. In this process we have formed and strengthen three numbers of Village Solar Committee Where people are depositing monthly solar bill which will be utilised for Maintenance of the installed hardware. Also DAPTA has planned to provide home light in other villages and sale of solar products on enterprise mode through trained Solar Mama and Sahelis.

Project Title: Special Programme For Promotion of Millets in tribal Areas
Area of Operation: Bhawanipatna Block

OBJECTIVE-To promote intensive millet cultivation in tribal areas ,
improve productivity setting up of decentralized processing units for

better marketing and better price realization & also to promote more consumption at community level including use of millet based nutritional feedings in ICDS. MDM and PDS

The programme started from January 2018 .Initially the major focus was to build an enabling environment in order to implement the roll out plan . A CBO(Community based organizations) named Maa Manikeswari Pariba Utpadanakari Samabaya Samiti Ltd,Dumal with 375 members .During this period we have covered 397 farmers from the targeted villages and 205.8 ha of land cultivated only millet (suan and ragi) .

Activities Carried Out

- Community meetings to sensitize , motivate farmers to join the initiative and to adopt improved agricultural practices .
- Mobile Application training to CRPs and Progressive farmers
- Field day observation
- Identification of potential farmers ,
- Planning with the farmers group and krushak sathi
- Procurement of agricultural implements (cycle weeder , water cane , sprayer ,pump set,) for GP level community hiring center

OUT PUT PRODUCED

- Formed and strengthened the community based organisation (Maa Manikeswari Pariba Utpadanakari Samabaya Samiti Ltd,Dumal)
- Produced 416 quintal of suan (little millet) in 173.4 ha of land
- Facilitated marketing of ragi through at the MANDI about 100 quintals

SUAN(Little Millet) Cultivation Photos

RAGI (Finger Millet) Cultivation Photo

MOBILE APPLICATION TRAINING

Two days training programme organized for 20 CRPs and progressive farmers in 2 batches .They were trained on how to collect on line from farmers using their mobile phones

Photos :

Field Day Observation:

4 nos of Field Day observed in village Palsapadar ,Karandihaper,Labanyadar and Upar belgaon . 40 nos of Farmers Participated in each programme .Basically this is an activity on the day of crop cutting the nearby farmers are invited to a common place where discussion takes place regarding crop cutting and safe harvesting ..

Photos:

PROJECT SWASTHYA (HEALTH FOR ALL)

The community health initiative remains one of the DAPTA's flagship services in order to make people to lead a healthy life with dignity. Community participation and ownership are the key which leads the process. Reduction of Malaria prevalence, IMR and MMR burden, Community Mental Health care and HIV/AIDS prevention and care remained the focus during this year.

Project Title- Comprehensive community health development programme

Area of Operation:- Lanjigarh block

DAPTA believes that to make the community health resilient- there is a need to augment the knowledge and skill of the community at the household level to prevent the major diseases which are contributing to high incidence of infant mortality, child mortality and maternal mortality particularly in the remote and tribal villages. DAPTA is continuously engaged with the village swasthya saathi and building their capacity in order to play a catalyst role in early identification of cases and facilitating the for proper investigation, diagnosis and treatment. There are 80 nos of swasthya saathis and all are women. They are working with DAPTA to reduce the burden of mortality and morbidity by building the local capacity, attitude and behavior change.

Activities carried out

- Community meetings and health education
- Growth monitoring of under 5 children
- Strengthening of IMMUNISATION and VHND
- Active referral
- Strengthening of ANC &PNC Care
- Promotion of institutional delivery
- Promotion of mosquito net use drive
- Service Providers Coordination Meeting

PHOTO

Project- COMMUNITY MENTAL

HEALTH CARE

Area of Operation:- Bhawanipatna Block

In this project we are working with 480 nos of mental ill people in 2 blocks of Kalahandi district. This project is based on community mental health care in which we are involving family members and community people starting from detection of patients , active referral to District mental health unit. DAPTA also facilitates the social security benefits schemes like obtaining disability certificate for the people with mental illness. And also the rehabilitation , social mainstreaming and treatment . This project is a very noble project in which 53 nos. of patients have come back to stable conditions DAPTA has also given livelihood support to the recovered patients this year as an income generation activity. This apart community level sensitization meetings carried out in several villages to create an enabling environment for the people living with mental illness and to minimize isolation & discrimination .

Objective:-

- To ensure regular treatment of the identified PWMIs including identification of new cases through active home visit, follow up action and psychosocial education to the family members.
- To involve ASHA, ICDS workers, Health workers and PRI members for active referral, follow up and realization of entitlements .
- To provide livelihood support for the PWMIs and family members for income generation.
- To strengthen family support group in order to ensure support and care for the PWMIs.
- To initiate dialogue and negotiation with govt. personnel to ensure realization of benefits and entitlements for the PWMIs.

Activities Undertaken

- Community meetings,

- Early identification of cases
- Active referral
- Facilitating diagnosis and treatment
- Meeting with the care takers

Photos

TARGETED INTERVENTION- HIV/AIDS PREVENTION & CARE **Area of Operation:- 4 nos. block of Kalahandi**

GOAL:

The goal of NACP-IV is to Halt and reverse the epidemic in India over the next five year.

OBJECTIVE:

- Prevent Infection through Saturation of Coverage of High risk group with targeted Intervention Scaled up Intervention in the general population.
- Provide greater care, Support & Treatment to larger number of PLHA.

- Strengthen the Infrastructure, systems & human resources in prevention, care & support programmers at district, state and National levels.
- Halt & reverse HIV&AIDS with Transgender.

HALT & REVERSE HIV/AIDS WITH TRANSGENDER:-

DAPTA TI Project is being implemented from the year 2009. We work for the MSM/TG Community. We work in the four blocks of the district namely Bhawanipatna, Lanjigarh, Jaipatna & Junagarh. We have got a total number of 341 key population. Out of which 273 is TG & 70 are MSM. We mainly focus to provide clinical services such as HIV testing, VDRL testing, RMC check up and TB testing. Besides that we also give priority to link the key population in various Social Security Schemes. We also focus on organizing cultural and community events as and when required.

TARGETED INTERVENTION PROJECT FOR MSM/TG (HIV/AIDS)

MAJOR ACTIVITIES

➤ HOTSPOT LEVEL MEETING:

As we know that the T.I project focus the Targeted TG/MSM peoples, they should have TG behavior and comes under the High Risk Group. Among this people we used to conduct a meeting at each Hotspot in every month. This meeting is known as Hotspot level meeting. Here we mainly emphasized to motivate them for blood testing, Condom promotion for safe sex, and HIV/AIDS awareness activities. During this financial year we did 60nos. of hotspot level meeting with the help of Peer Educator and hotspot committee member, where near about 900 HRGs participated cumulatively.

➤ DIC LEVEL MEETING:

DIC (Drop in centre) is a best place for HRGs to get Psychosocial Support, STI Counseling, STI Treatment, and Behavior Change Communication (BCC). This is the only place to where HRGs could refer to Several Govt. Facility like ICTC Testing, STI Clinic, and ART Centre, DOT Centre etc. for the Proper Management of DIC and also for the HRGs. We conduct two DIC level meeting in each month. In this financial year we did 24nos. of DIC level meeting, by the help of Peer Educator and Out Reach worker where near about 300 HRGs participated cumulatively.

➤ **ADVOCACY CUM STAKE HOLDER LEVEL MEETING:**

This year we conducted an Advocacy Meeting with the DSSO & DLASA Bhawanipatna . Objective of this meeting was how to Msm,Tg, Hinjra people are get their rights. We focused to have proper coordination and mutual understanding with the staff for smoothly conducting . In this meeting 22 members were present.

➤ **31st WORLD AIDS DAY:**

We celebrated World AIDS Day (1st Dec.2018) for preventing the deadly disease of HIV/AIDS from our state.

This day was organized by DAPTA in collaboration with Zilla Swastiya Samithi, Bhawanipatna at Town Hall. On this day all TI staff, Medical staff, ANM, GNM, ASHA, ANGANWADI workers and College students were present.

➤ **HEALTH CAMP& IEC CAMPAIGN:**

We organized 2 Health Camps at Jaipatna and Bhawanipatna. We them treatment for general diseases and identify the new STI patients who have not come to the clinic for STI treatment among the MSM/TG group.

➤ Community Event:

On 26th November 2018 TI Project DAPTA organized a Community event for creating awareness among the Key population at Jaipatna. On the eve of this occasion Mr. Manash Purohit (PM) gave brief Knowledge about TI Project , Components of TI Project ,HIV AIDS and about PLHIV .In this Community Event large no of Key Population were present

➤ **CBO and SHG FORMATION:**

We have formed One of CBO among the HRGs under society Registration act 1860 for their self-reliant and to gave them a new identity in this society namely: SANJOG Through The CBO We would work for their rights

& dignity In this year 2018/19 we formation 2no of ne SHG Kinner Shakti(Bhatna) & Maa Lankeswari Syam Sahayak Gosti (Junagarh) . By the help of

CBOs & SHG we spread the HIV/AIDS awareness & , their rights messages in the community. And gave them care & Support to the PLHA

Other than the above the following activities were also carried out as part of the regular activity.

- Active referral to RNTCP
- TB testing of trans gender people
- Monthly review with RRNTCP
- Collection of sputum from HRGs & TG people

PROJECT SURAKHYA (Education, Child Right & Child Protection)

Project Title- EMPOWERMENT OF ADOLESCENT GIRLS

Area of Operation- Lanjigarh block

Objective :-

- To increase knowledge on Child Right and protection.
- To reduce the early Child Marriage through higher education sensitization promotion.
- To reduce stigma and myths concerning women's health.
- To build up confidence among the girls and encourage the participation in various career development opportunity through peer support.
- To curb the superstitious beliefs and taboos, rituals concerning adolescent girls health.
- To sensitize about the harm effects of early pregnancy.

- To increase knowledge about SRHR (marriage, child-birth, family building and planning.)
- Promotion of gender equity and social justice

DAPTA has strengthened 62 numbers of Adolescent girls club members and trying to enhance their knowledge on their Right, SRHR, Child Marriage, Importance of Education and trafficking. One G.P level federation of adolescent girls named as “MAHAK” was formed and inaugurated to ensure and enhance fellowship among the adolescent girls. The “we feeling” and the sharing among them has motivated them to fight against child marriage and discrimination.

CHILD RIGHT AND EDUCATION

Education and child right is one of the core interest area of DAPTA since its inception. In Kalahandi children do suffer with plethora of problem like high infant mortality, high Mal nutrition prevalence, hazardous labour work , absence of school facility at village ,irregular attendance of teacher in school, no quality education, lack of awareness over their right ,rampant exploitation of children and child trafficking which makes the situation worse. Earlier DAPTA was involved to manage child labour school , school for street children and for destination unknown children. . We have organized health camp for children , Mal-Mal camp (under-5) children, active growth monitoring of under 5 children , strengthening 60 nos. of adolescent girls club in order to educate them and to promote fellowship. Awareness and sensitization programme with regards to child trafficking , children right and [protection of Child Rights was carried out in different villages as part of DAPTA’S mandate. we have organized 10 nos of health education programme for children in various school and quiz session as a follow up activity to re- enforce the key messages time and again. Besides that DAPTA is managing one play school in Bhawanipatna since last 18 years where 90 nos. of children attending regularly.

Project Title- MISSION EDUCATION

Area of Operation- 3 remote tribal villages of Lanjigarh block

Objective

- To increase access to quality education with increased motivation and confidence for the tribal and Dalit children both boys and girls within the age group 6 to 10 years of age in 3 nos. remote underserved villages of Lanjigarh block in an enabling environment to learn, to grow and to excel
- To educate and motivate the Children and parents through vision building exercise to augment the positive attitude towards education
- To encourage the students by offering child friendly teaching methodology including provision of plays way teaching and learning materials to boost and upscale their interest and ability

Activities carried out

1. Celebration of Independence Day

71st Independent day was also celebrated on 15th August, 2018 in all 3 schools (Manayu Vidyalaya) with great pomp and show. The school room and the ground was cleaned and decorated for the occasion. Since it was the 1st ever experience for the kids and the villagers as well, there was a great enthusiasm among the kids and the parents. All the respectable persons of the village were present in the occasion. The national Flag was unfurled by Mr. Kuna Majhi, Mr. Bagi Majhi, Mr. Lalu Majhi, at. Manau Vidyalaya,

Dahanipadar, Sorpadar & Karlijodi respectively. Mr. Subranshu Sekhar Majhi, Project Coordinator was present in Karlijodi & Dahanipadar where as Mr. Biswanath Harijon attended at Sorpadar. Besides concerned school teachers. Speakers reminded of the great sons of India and their great scarifies for the freedom of the Country.

In the end, all students stood in attention. All the students, teachers & parents sang the national Anthem in chorus. Following to the chorus patriotic slogans were also recited. Finally Chocolates and sweets was distributed to the students and others and the celebration came to an end.

Celebration of Ganesh Puja

The students of all three Manayu Vidyalayas celebrated Ganesh Chaturthi with great pomp and gaiety. It is celebrated as the birthday of Lord Ganesh Ji, the son of lord Siva and Parbati devi. The lord Ganesh is considered as the symbol of wisdom and remover of the obstacles.

On this auspicious day all the students came to their school with colorful dresses. Like 15th Aug (Independence Day) this occasion was also the 1st ever experience for the students and the parents in their village. At about 9 A.M puspanjali was offered before the idol by the students following to the puja. Prasad was given to all the students and their parents who were present. The Ganesh Puja was celebrated in all three schools with great joy & devotion.

Children's Day

The students of all three Manayu Vidyalaya celebrated Children's day with great joy and happily. On this day we pray the photo of Pandit Jawaharlal Nehru at our school premises with the presence of all students, teacher and parents. For the first time they celebrated children day in their village. So they were very excitedly celebrated this day. On the children day, we organized some competition for the students such as song, GK, games. In which many students took part in many activities voluntarily. The parents also invited to the program of the children. The leaders who attend the celebration and give some speeches on the children day. The most important thing is that they gave advice to the children to be a patriotic and follow the footsteps of the leaders of children. Finally we gave prizes to those who got the position in different activities.

Gandhi Jayanti

On the 2nd October 2018 we celebrated Gandhi Jayanti at our three Manayu Vidyalaya premises. We celebrated this day as the birth day of Mahatma Gandhi. On this auspicious day we pray the photo copy of Mahatma Gandhi in our school.

Health promotion

Nutritional support-When we started the mission education programme in this area we saw that most of the children of this area were malnourished. So we decided that provide some supplementary food to the children to increase their health status.

Health camp- one day health camp was organized by DAPTA at Bengaon, panchayat office to know the health status of the all students during the season. We randomly tested their blood by RDT kit, and provide medicine to all students.

TLM support

With the help of our funding agency our organization provide some teaching and learning material, bag and uniforms to the children of our 3 schools.

To maintain equity among all students.

To increase interest among the students on learning.

For the better understanding of student that what the teacher wants to teach

Re-enrollment into formal education

With 75 nos. of students we started 3 nos. of school in the high broaden area of Lanjigarh block. Most of the students were did not going to school regularly and some of them were dropout. During our one year project we re-enrollment 45 no. of students in different govt. school of that area.

Parents teacher meeting

Parental involvement at school help build positive interactions between parents and kids. as well as parents and teachers. Parents will have a

better idea of what their child day is like, which can improve family communication.
