PROBLEM STATEMENT

Year 2020 has brought to us along with many obstacles as a nation , and a global crisis amidst the out break of Covid 19 Virus with which the whole world is battling hard to over come the unprecedented times. Beside the fact that Covid 19 is a deadly and contagious virus ,and spreading very fast we as a country has come together to fight this pandemic ,and to support our Government as committed Civil Society organisation.

Our Organisation has time to time received all the important advisory on Covid 19 from both state and Central Govt bodies further to add to it NCPCR and ICPS under Ministry of WCD along with Hon'ble Supreme court for safety of children enshrined under Juvenile Justice care and protection act 2015,as our prime focus and area of work in nation building,and to provide further care and protection to every vulnerable children with proper Nutrition health and holistic approach of Rehabilitation in this crisis.

Beside this as a committed women and child Rights organisation working towards the upliftment of society since 1996 and as a stakeholder to different initiative and schemes under GOI,we extended our support to drive the rescue work on Covid 19 at Community level at Cachar districts of Assam with the help of Administration ,and local authorities along with District Disaster Management Authority.which we will continue till the time the National disaster situations gets over and things gets back to Normalcy.

PROPOSED INSTITUTIONAL SUPPORT TO ADMINISTRATION

- 1.Shelter for all vulnerable Girl children below 18years and infants of Migrant laborer's displaced during Lockdown with proper shelter Care and protection.
- 2.AWTC facility and faculties for training of volunteers and Front liners with the support of Joint Director of health and DSW for AWW, ASHA ANMs for #Covid19 related trainings prescribed by WHO for containment at community level in future or situation arises.
- 3.Awareness and engagement of Volunteers in mass awareness in Barak Valley, and its districts and Dots and Dots, self and home quarantine measures and SOS to Health department and its knowhow in local languages for public dissemination.
- 4.Mass Awareness on Arogya Setu App to local clubs and NGO.s to reach out the communities.
- 5.Community Kitchen for mass distribution of food and relief work.
6. Psychological support over phone by panel of family counsellors and child counsellors for people suffering from Anxiety, Depression and confusion during Lockdown and other mental wellness guides, for women facing atrocities and domestic violence amidst the indefinite lockdown.
7. Home Quarantine facilities or isolations upto 50 to 60 inmates in the existing facility if situation arise.

COMMUNITY LEVEL SUPPORT

Troops of Kadamtala Assam Rifles Battalion visited 'Balika Garh' in Cachar District & briefed children about [#COVID19](#) precautions and provided them basic essential commodities & masks. @ANI @COVIDNewsByMIB

https://www.barakbulletin.com/en_US/mentally-challenged-woman-delivers-baby-girl-in-silchar-civil-hospital-her-pregnancy-raises-questions/?fbclid=IwAR3I35Ni0LMVTZljMOdy-cO-usne3MKmUD7yAUcedM7xLjSt2pMqEOuIF3I

After intervention by NNS Silchar and informing [#Childline](#) 1098 and District child protection unit the child has been presently handed over for safe custody, and care at NNS (SAA) Meherpur Silchar. Since the distress Mother mental state is still unstable to care of her own..The matter is curenly taken up by Child Welfare committee Cachar.

THANK YOU
