## Annual Report 2016-17

### Message by CEO and Management Trustee

*The 'Care Village Foundation' is getting new heights day by day, year over year and approaching various parts across the country for social cause. The team of CVF is working day & night, restlessly for accomplishing the purpose for which the organisation has been established. This year also, thousands of marginalised, vulnerable, deprived and disadvantaged people especially children, women & youth have been touched by the organisation. We have successfully run the programmes on women empowerment, health, gender sensitization, youth empowerment, refugee welfare during the year. The Foundation also provided services to the society with regard to vocational training, education, skill development, yoga & research, legal aid & counseling etc. from time to time the whole year.*

*Needless to say that my colleagues, team members, staff of CVF, partners and other organisations associated with CVF made it possible. Their co-operation, with regard to achieve the aim of the foundation, is appreciable. I am thankful to all of them for helping needy people keeping their personal comfort aside and thereby enhancement of shine of CVF.*

*I, on behalf of CVF, also extend sincere thanks and gratitude to all donors and sponsor for their generous support. We really value your association with us for socio-economic development of the society in need.*

### Message by Vice President

Association with the organisation like 'Care Village Foundation' is a matter of pride. I feel a lot of satisfaction in working for the community who is in dire need of facilities and services. CVF is playing a role of a mediator between them and Govt. agencies, advisor on certain issues on their daily life and also working for socio-economic development of a specific part of the society. I am confident that the organisation will get soon specific appreciations & laurels from the highest Govt. officials for devoting its specialised services to the society.

### Vikaram

### Message by Executive Director

I always remain in doubt which part of my life is more important. As a house manager, I feel that working at home for family members is very important part of life of a woman. On the other hand, working for society on behalf of CVF provides me feeling of 'being human' in actual sense. Specially when I help a woman in need of legal advice, service of Govt. agency like ration card, bank account, aadhar card, labour card, medical help etc., I feel that it is also a non separable part of my life. A lot of thanks to god for providing me the opportunity to become a part of 'Care Village Foundation'.

### Mrs. Roopa Singh

## Annual Report 2016-17

### PROGRAMMES PROGRESS DURING THE YEAR 2016-17

#### World Health Day - 07.04.2016

In the opening of this year, we, here in Care Village Foundation at Bakkarwala Delhi, celebrated 'World Health Day'. The World Health Organisation was focusing this year on diabetes because the diabetes epidemic is rapidly increasing in many countries, with the documented increase most dramatic in low- and middle-income countries. . A campaign was started on this occasion by CVF to increase awareness about the rise in diabetes, and its staggering burden and consequences, in particular in low-and middle-income families.

A free Health Check-up Camp was organised at this occasion in association with Delhi Legal Services Authority, West Distt. Besides health check-up, awareness was spread on this day through nukkad natak, drawing competition, question-answer session etc. Various prominent personalities of the area and hundreds of people of the surrounding area attended the health check-up camp and other activities.

#### International Malaria Day - 25.04.2016

International Malaria Day was celebrated on 25/04/16 by Care Village Foundation at Bakkarwala, Delhi. The Malaria Inspector of Ward-....., Municipal Corporation of Delhi, Bakkarwala, Delhi and his team members spread awareness about Malaria, Dengi, Chikengunya etc. among beneficiaries, staff members and residents of surrounding area of CVF office. The officials distributed pamphlets, calanders and other informative material to the present. They also provided tins of Temme Guard to the beneficiaries and told its uses. The advisory and awreness session was very useful for the staff and the natives.

At the end Mr. Vishal Singh, CEO and Managing Trustee given Vote of Thanks to the MCD officials for such an informative event. After this guests, staff, and other beneficiaries enjoyed the refreshment.

## Annual Report 2016-17

### Public Distribution System - 26.04.2016

An awareness programme on Public Distribution System (PDS) was organised by Care Village Foundation at D-650 Loknayakpuram, Bakkarwala, Mundaka-110041 on 26.04.2016. The present were informed about their rights about ration items. They were explained about the Govt. agencies involved in Public Distribution System, how the system works, where they can lodge a complaint, how the ration card be prepared, what documents are required to prepare ration card etc. The queries of the participants were also resolved on the spot.

### Right to Vote - 01.05.2016

The Indian Constitution has granted the right to vote to all Indian citizens of sound mind above the age of 18, irrespective of an individual's caste, religion, social or economic status. This right is universally granted to all Indians, with a few exceptions.

A workshop and awareness camp, to this effect, was organised by Care Village Foundation on 01.05.2016 at BastiVikas Kendra, Bakkarwal, Mundaka, Delhi-110041. A lot of public representatives with local residents attended this programme. The present were informed that as a voter, they are entitled to certain rights and privileges as laid down by the Constitution, which safeguards the rights of the voter. It also lays down the conditions under which this privilege is granted to citizens. Voting is not a fundamental right, but is a legal right granted to citizens.

They were enlightened that as per the Indian Constitution, all Indian citizens above the age of 18 years who have registered themselves as voters are eligible to vote. These individuals can vote in national, state, district as well as local government body elections. No individual can be detained or prevented from voting, unless they fulfil the criteria for disqualification. Every voter is allowed one vote only. A voter can vote at the constituency where he has registered himself only. Eligible voters have to register themselves in the constituency where they live, upon which they will be issued photo election identity cards (also known as EPIC cards). Individuals are not permitted to participate in the electoral process if they have not registered or do not possess a voter ID card.

They were provided with the forms for preparing voter Identity Cards and explained about the procedure, office address etc. in this regard.

**अंत्योदय ही हमारा संकल्प**

### Awareness Session on 'Fundamental Rights' - 09.05.2016

An awareness programme on Fundamental Rights of an Indian Citizen was organised on 09.05.2016 by the Foundation at Bakkarwala, Delhi. A lot of people were present at this moment.

They were informed that **Fundamental Rights of Indian Citizens** are provided by the Constitution of India, that was adopted on the 26th of November, in the year 1949, but was put in use on the 26th of January, 1950. The **Fundamental Rights of Indian Citizens** guaranty that the residents of the land can lead a peaceful life, as long as they inhabit the country. The individual Fundamental Rights of Indian Citizens are most of the time similar in all the democratic countries. They were further explained that Individual Fundamental Rights to Indian Citizens include the following :

- Equality before the law
- Freedom of religion
- Freedom of association and peaceful assembly
- Freedom of speech and expression
- Right to constitutional remedies for the protection of civil rights

The session was very successful as the participants were putting a lot of queries to this effect which itself shows that they had taken interest in this and are now aware about their fundamental rights as an Indian Citizen.

### 'Programme on PCPNDT Act - Save the Girl Child

As can be seen from the daily media reports, almost all over the country, absolute stringent action is being taken against all the erring radiologists/ sonologists/ gynecologists. The effective implementation of The Act has painted a grim picture of The Act. This article is an effort to show that The Act though draconic can be easily followed by fulfilling certain mandatory requisitions laid under the Act. The intent to prohibit prenatal diagnostic techniques for determination of the sex of the fetus leading to female feticide. That is to say the preliminary object was to put a check on female feticide.

The highlights of the basic mandatory requisitions under the PC-PNDT Act were explained in the programme organised by Care Village Foundation at the following occasions :-

- At Bansal Bhawan, Sector-16, Rohini, Delhi-85 on 15.06.2016.
- At D-650 Loknayakpuram, Bakkarwala, Mundaka-110041 on 07.08.16
- At J-1/40 Phase - I BudhVihar Delhi on 01.10.16
- At D-650 Loknayakpuram, Bakkarwala, Mundaka-110041 on 22.11.16
- At J-1/40 Phase - I BudhVihar Delhi on 02.01.17

The participants were briefed that the Act was enacted in 1994, amended and effectively implemented in 2003 and strictly amended in 2011. The participants had taken oath for not attempting prenatal diagnosis and lodging complaint against such hospitals, nursing homes etc. who are attempting this crime.

## Annual Report 2016-17

### Senior Citizen-Old Age Home - 05.06.2016

There are 728 Old Age Homes in India today. Detailed information of 547 homes is available. Out of these, 325 homes are free of cost while 95 old age homes are on pay & stay basis, 116 homes have both free as well as pay & stay facilities and 11 homes have no information.

Care Village Foundation, on 05.06.2016, organised a programme for senior citizens at Bansal Bhawan, Sec.16, Rohini, Delhi in which they were provided with the information about these old age homes, rights of senior citizens, scheme of the Govt. of senior citizens etc. Many old age people attended the above programme

### Celebration of 'International Environment Day' - 05.06.2016

Care Village Foundation celebrated 'International Environment Day' 2016 at Bakkarwala, Delhi. This year's theme of world environment day celebration was "fight against the illegal trade in wildlife for life" (zero tolerance for the illegal trade in wildlife) focusing on save the life of wild animals like elephants, rhinos, gorillas, whales, sea turtles, orangutans, pangolins, rosewoods, helmeted hornbills, tigers including other species. This year's slogan was to raise the voice against wildlife crime and damages caused by it and take actions to prevent it.

Participants from most of the centres of CVF participated in it. Some of them also took part in poem recitation and essay programme. The environment was full of curiosity & enthusiasm. The participants also participated whole heartedly in "Plantation of Trees" on this occasion.

Mr. Vishal Singh, CEO and Managing Trustee addressed the gathering and spread awareness about the history & importance of this day. He also informed the beneficiaries, staff and present about the legal complication to be faced with mishandling with environment. He also briefed about the necessity of saving the environment from pollution. He also suggested some methods to participate in this direction. Mrs. Roopa Singh, Executive Director explained about the history & importance of this day and dialogue for the year 2016 "Go Wild for Life".

At the end the beneficiaries enjoyed the refreshments. They seemed happy, courageous and confident towards a better environment. "The International Environment Day Celebration was an Event of Knowledge, Enthusiasm and Elation"

### **Right to Food - 19.06.2016**

*The right to food is a human right. It protects the right of all human beings to live in dignity, free from hunger, food insecurity and malnutrition. The right to food is not about charity, but about ensuring that all people have the capacity to feed themselves in dignity. Like many other developing countries, India has a wide variety of feeding programs, food subsidies, and other sorts of "schemes" to alleviate hunger, but somehow these programs are never quite enough. Lacking political power, marginalized people stay marginalized despite such efforts to help them. They can be empowered, however, through clear acknowledgment of their human rights. In terms of the law, the human right to adequate food is a part of the right to an adequate livelihood, which is a part of economic rights, which is a part of human rights generally, which is a part of international law.*

*We conducted a programme on this issue on 19.06.2016 at Kachua Rampur, Ballia(UP). Hundreds of people from nearby villages and other areas attended this programme. They were informed about their right to food and also how can they get benefits of Govt. schemes in this regard. The Govt. schemes and programmes, to this effect, were also explained to them in detail. The necessary assistance was also provided on the spot.*

*After the programme was over lunch to all the participants was distributed. All enjoyed the food. The programme was great success for Care Village Foundation.*

### Child Rights-DCPCR - 17.07.2016

A child means every human being below the age of eighteen years unless, under the law applicable to the child, the age of majority is attained earlier. A nation's children are a "supremely important national asset", and the future well-being of a nation depends upon how its children grow and develop. It is the duty of the state to look after a child to ensure full development of its personality. To achieve this goal, a state must grant certain rights to the children. In India, rights of citizens including that of children have been directly or indirectly provided for by the Constitution of India. The Delhi Commission for Protection of Child Rights (DCPCR) has been constituted under the Commission for Protection of Child Rights (CPCR) Act, 2005 vide a notification issued by the Govt. of NCT of Delhi on 7 July, 2008. It has six members and a Chairperson.

The foundation organised a programme on this topic on 17.07.16 at J-1/40, Phase-I, Budh Vihar, Delhi. The participants were informed about main rights of child such as protection against all forms of discrimination or punishment; right to life; right from birth to a name, identity and the right to acquire a nationality; the right not to be separated from their parents against their will; the right to freedom of expression; right of the child to freedom of thought, conscience and religion; right of the child to freedom of association and to freedom of peaceful assembly etc. School going children, eminent personalities of the society, local community of the area participated in this programme. They were also informed in details about the role of DCPCR for protection of Child Rights. The question answer session proved the success of the programme.

### Increasing access to contraceptive reducing Anemia among adolescent girls - 02.09.2016

Adolescence is the period in human growth and development that occurs after childhood and before adulthood, from ages 10 to 19 years. It is a period of dynamic brain development. During this period, adolescents learn from the social behavior and environmental surroundings of their community. Because of rapid urbanization without accounting for the basic health-care amenities, health disparities tend to arise. Adolescents in urban areas perceive their physical environment as very poor. Social capital and social cohesion are very important in their development. Increasing child marriage and poor antenatal care among adolescents are key challenges in improving the reproductive and sexual health. More than half of adolescents are undernourished. About 56% of adolescent girls are anemic.

An awareness programme on this issue was organised by the foundation on 02.09.16. Hundreds of people of various age group participated in this programme. They were explained about the problem and its remedies. The queries of the participants were also resolved on the spot. A light refreshment was also distributed. ### Disaster Management - Civil Defence - 20.09.2016

While global geo-political factors have reduced chances of traditional wars, new challenges have emerged for the community in the shape of natural calamities or human-induced disasters, resulting in large scale destruction of property, loss of human life and destabilization of normal life in society. Since the community is invariably the first responder to any disaster situation, adequate awareness and preparedness of the community to respond to any such situation can be crucial in mitigating damage and suffering.

Civil Defence, being a community based voluntary organisation, can in addition to rescue, relief and rehabilitation, play a stellar role in the field of public awareness as well as community capacity building to face any disaster. Civil Defence measures are designed to deal with immediate emergency conditions, protect the public and restore vital services and facilities that have been destroyed or damaged by disaster.

A workshop cum advisory session was organised on 20.09.16 at Basti Vikas Kendra, Bakkarwala, Mundka, Delhi-41 on the above topic. Hundreds of youth from the local community and also from the far flung area of the city arrived and actively participated in this session. Demonstrations were given and the participants made practice with the resource persons.

### Youth Education Programme - Magic Bus - 28.09.2016

Magic Bus' youth-centered Livelihoods Programme connects the aspirations and potential of young people to available market opportunities. We build their employability skills and map job potential based on individual strengths and mobility. Magic Bus Livelihoods programme meets youth's diverse leadership, employment, and training needs and fills critical gaps in the current value chain. It attempts to ensure young people from marginalized communities have the employability skills and knowledge that prepares them for the world of work.

An informative session on the above topic was organised on 28.09.16 at Narendrapuram, Siwan, Bihar by the foundation. The representatives from Magic Bus provided several important information to the youth who participated in this programme.

### Non Violence Day - Terrorism - 26.10.2016

The International Day of Non Violence, also sometimes known as non violence day, falls every year on the 2nd of October. This date was chosen because it was the birthday of Mahatma Gandhi, a person who is well known for his non violent way of life. Gandhi ji wrote extensively about the importance of non violence, and he also put his beliefs into action. Non violent civil action led by Gandhi ji, and non violent action inspired by him after his death, has brought about numerous benefits in the world, not least the crumbling of colonial rule in India and the birth of India as an independent nation.

This day was celebrated by CVF on 26.10.16. The beneficiaries from all the centres of the foundation in Samastipur arrived at Sarairanjan, Samastipur, Bihar. They were told about the importance of this day in context of the increasing terrorists activities all over the world. They were also enlightened with the precautions to be adopted and asked to remain cautious to avoid any untoward situation.

### Gender Equality - 01.11.2016

We proud Indians of 21<sup>st</sup> century rejoice in celebrations when a boy is born, and if it is a girl, a muted or no celebrations is the norm. Love for a male child is so much so that from the times immemorial we are killing our daughters at birth or before birth, and if, fortunately, she is not killed we find various ways to discriminate against her throughout her life. Though our religious beliefs make women a goddess but we fail to recognize her as a human being first; we worship goddesses but we exploit girls. We are a society of people with double-standards as far as our attitude towards women is concerned; our thoughts and preaching are different than our actions.

A session on the above issue was organised by the foundation on 01.11.2016 at Chhicho, Ratanpura, Ballia, UP to try to understand the phenomenon of gender inequality and search for some solutions. A number of people of all age groups participated in this session. Hot discussions on the issue were taken place. The female participants were very excited and keen to know the law to prevent this inequality and discrimination. The participants were explained law, Act & Rules on this matter and requested to adopt moral sense and ethics on this topic.

### Construction Worker and Labour Law - 06.11.2016

According to India's National Commission for Enterprises in the Unorganized Sector, over 92% of India's labour force was employed in the informal economy in 2007, and this number has been consistently increasing. This implies that more than 92% of the Indian labour force is exposed to job and income insecurity, exploitation, violation of rights and absence of effective legal protection. The construction industry is the single biggest non-agricultural industry in the capitalist world. Construction workers are, however, treated largely as second-class citizens, deprived of means to protect their dignity.

Care Village Foundation organised an event for the construction workers on 06.11.2016 at J-1/40, Phase-I, Budh Vihar, Delhi. All the construction workers of construction sites were invited to attend the same. They were explained about the labour law and their rights, minimum wages, labour card etc. They were also advised to apply for labour card for which necessary assistance like providing of form, filling of form, attachment of necessary documents etc. was provided on the spot.

**A little help from you can secure the future of refugees**

**19,000+ refugees in Delhi!!!**  
**19.5 million refugees worldwide**

“A refugee is any person who owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinion, is outside the country of origin of his nationality and is unable or owing to such fear, is unwilling to avail himself of protection of that country”.

Care Village Foundation has been a partner of ACCESS and UNHCR since April 2016 to work on improving the livelihoods of more than 10,000 refugees in the working age group who reside in Delhi & NCR.

### Life Skills Education (LSE)

LSE equips refugees to cope with challenges faced in the job and market environment in the country.

### Financial Literacy

Helping refugees gain financial stability and independence through trainings that focus on management of finances and cultivation of saving habit

### Vocational Training (VT)

VT enriches refugees' skills across various trades in the formal and informal sectors such as hospitality and service, banking, healthcare, manufacturing & retail, IT, BPO and construction. The new or enhanced skill sets enable the refugees to access suitable work opportunities.

### Functional Literacy

Such trainings aim to provide basic skills to otherwise unschooled participants to equip them for the day to day functioning of specific jobs such as those of security guards, assistants to electricians, plumbers or chemists.

### Apprenticeship

Apprenticeship provides on the job training by skilled employers to young minds to prepare them for formal work.

### Placement

Apart from job preparation and career guidance, We provide work opportunities in the formal and informal sectors to refugees based on their skills and interests.

### Enterprise Development Programme

The Enterprise Development Program works to transform refugees' innovative business ideas into sustainable business plans through technical knowledge and grant support. It also supports existing entrepreneurs to strengthen their management skills and to make their enterprises profitable.

### Market Linkages

We connects refugees with the Indian market by tapping on their expertise in culinary skills, hand crafts such as embroidery, weaving, knitting and other such proficiencies.

Care Village Foundation works to enhance their skill sets through trainings and facilitates job and business opportunities to enable self-reliance and improved livelihoods. Come together and be the ray of hope in the twilight of their life's journey.

### पर्यावरण की रक्षा, जीवन की सुरक्षा

केयर विलेज फाउंडेशन ग्रामीणों (शहरी/ग्रामीण) के उत्थान में कार्यरत एक गैर सरकारी संगठन है जिसने अपना कार्य दिसम्बर 2008 से प्रारम्भ किया था। केयर विलेज फाउंडेशन समाज के अंतिम व्यक्ति तक सुविधाएं पहुंचाने व उन्हें सशक्त बनाने के अलावा समाज के हरेक पहलु पर कार्य करने के लिए वचनबद्ध है जिससे हमारा समाज एक सशक्त, खुशहाल व स्वस्थ समाज बन सके। इसके लिए संस्था अनौपचारिक शिक्षा, कंप्यूटर प्रशिक्षण, सिलाई प्रशिक्षण, सौन्दर्य प्रशिक्षण, योग प्रशिक्षण, वित्तीय शिक्षा के साथ-साथ स्वच्छ भारत अभियान, पर्यावरण संरक्षण कार्यक्रम व अन्य क्षेत्र में कार्य कर रही है। आज संस्था विश्व पर्यावरण दिवस के अवसर पर अपने कार्यों को और मजबूती प्रदान करते हुए वृहद स्तर पर वृक्षारोपण कार्यक्रम का आयोजन किया। साथ ही प्रदूषण की रोकथाम पर सामूहिक परिचर्चा, 'जल ही जीवन है', स्वच्छ भारत अभियान के अंतर्गत 'प्लास्टिक कचरा मुक्त बकरवाला' व स्वयं सहायता समूह के लिए वित्तीय साक्षरता कार्यक्रम भी आयोजन किया।

#### पर्यावरण संरक्षण

महान वैज्ञानिक आइंस्टीन ने कहा था, दो चीजें असीमित हैं—एक ब्रह्माण्ड तथा दूसरी मानव की मूर्खता। मानव ने अपनी मूर्खता के कारण अनेक समस्याएं पैदा की हैं। इसमें से पर्यावरण प्रदूषण अहम है। विधानसभा, संसद, न्यायालय, उच्च न्यायालय, उच्चतम न्यायालय, अखबार, टेलीविजन सब जगह पर्यावरण संरक्षण तथा प्रदूषण पर चर्चा है, फिर भी न तो कोई दोषी पाया जाता है न किसी को सजा मिलती है। अनेकों स्थलों पर प्रदूषण का स्तर जरूर कम होता है, पर पूर्णतया नियंत्रित नहीं हो पा रहा है, तो हम किसे दोषी ठहराएं? क्या किसी को दोषी ठहराना ही जरूरी है? और किसी को सजा ही देना जरूरी है, या दंड देना ही समाधान है? शायद नहीं। हम समझते हैं कि इसके लिए जरूरी है जन-जागृति, जन जिम्मेदारी, जन भागीदारी, जन कार्यवाही, सामाजिक दायित्व एवं सामाजिक संकल्प।

#### आइए लें जीवन के लिए प्रतिज्ञा

- स्वीकार करना कि पृथ्वी पर मौजूद जीवन की विविधता से ही मेरा, मेरे परिवार एवं विश्व के अन्य नागरिकों का अस्तित्व संभव है।
- यह मानना कि हमारी जैवविविधता को सुरक्षित रखने के लिए हमें जिम्मेदारीपूर्ण व्यवहार करने की आवश्यकता है।
- पृथ्वी पर मौजूद हमारे पौधों, जीवों और अन्य सजीव स्वरूपों की बढ़ती हुई हानि के पत्रति प्रतिक्रिया दर्शाना।
- मेरे आस-पास हो रहे जैवविविधता के उपयोग व उचित प्रबंधन के प्रति अपने दायित्व को स्वीकार करना।

मैं पृथ्वी पर बेहतर जीवन के लिए निम्नलिखित सिद्धांतों को समर्थन देते हुए प्रतिज्ञा लेता-लेती हूँ कि:

- जैविक संसाधनों के संरक्षण एवं उनके टिकाऊ को बढ़ावा मिले।
- मैं स्वयं वह बदलाव बनूँ जो मैं दुसरों में देखना चाहता / चाहती हूँ।
- यह सुनिश्चित हो कि पृथ्वी पर जीवन सुरक्षित रहे।
- मैं संरक्षण के लाभों, सकारात्मक प्रयासों व उपयोगों के प्रति लोगों को शिक्षित करूँगा/करूँगी।

बूढ़े वृक्ष कट रहे हैं,  
हमें काटो या छांटो,  
लेकिन समूल नष्ट मत करो,  
यूँ बिखर जाएगी सृष्टि तुम्हारी  
हमसे ही है जीवन तुम्हारा,  
क्षणिक इस पर विचार करो।

“इस ब्रह्मांड में प्रकृति सबसे शक्तिशाली है,  
क्योंकि यही सृजन एवं विकास और यही ह्रास तथा नाश करती है।  
अतः प्रकृति के विरुद्ध आचरण नहीं करना चाहिए।” - ऋग्वेद
