That is Sarvajna telling about Guru. Guru can show you God, Guru can show you light!

But Sarvajna is not telling whether one has to go to Guru or Guru on his own comes to people. But mythological as well as historical stories, tell us that one has to go to Guru. But here is a Guru who comes to people to show them God. That Guru, is no one but our beloved Sridhar Sir.

As far as I know, Sridhar Sir has never missed any Trust meeting till now. He is there before everyone else arrives. He even calls almost everyone requesting them to come for the Trust meetings.

Reason for telling all this, is that, I missed this year's scholarship distribution ceremony! It is not good feeling to miss the Trust meetings. It requires only 2 days out of 365 days. Thanks to all those who made it to the ceremony.

I promise myself not to miss any meetings from now onwards.

### Joy of giving superior to joy of enjoying,

Let me tell you how I used to select the students for scholarship. I regularly conducted twenty three tests in maths every year. I used to select ten top merited but poor and needy students from among them. Every year ten students used to join the team and ten students leaving the team after completing their studies. Thus, in total seventy to seventy two students used to get the scholarships every month till the end of their education. I could manage my personal life with Rs. 1500/- and the remaining amount of my salary went to scholarships. Amounts from insurance, provident fund were distributed this way. For prizes, chemicals and other expenses, I used to take loan from my GPF and other sources. This gave me much spiritual satisfaction. 'Joy of giving' is far superior to 'Joy of enjoying'.
