## Back in Hubballi, After One Year

“The happiest people are not those getting more, but those giving more”, says Harriett J Brown Jr. an American author who wrote *Life's Little Instruction* book, which was a New York Times Best Seller (1991-1994). Look at Mahaguru Trust family members, they are laughing, cracking jokes and talking something always. Happiness is very abundant to see. After all, they are the student of Shri Sridhar Sir who taught them an art of giving and an attitude towards giving. Sir himself is always happy and cheerful. I have not seen him being gloomy or grim.

So far, hundred and four Mahaguru Trust scholars have completed their education. A trust with around hundred members could only help hundred students in ten years. Sir alone had helped five hundred students until he retired. We as a trust, have a long way to go to match Sir's legacy of giving. I am not sure if we will ever match him. “Aa deva, ee deva! Mahadeva enabeda! Aa devar ee bhuvanada! Praani galige aadavane Deva Sarvajna!!”. Sir is not only a Mahaguru for us but also a Mahadev!!

Sir skipped last year ceremony due to health reasons. We badly missed him last year. Sir was back in Hubballi for the ceremony this year. Many of Sir's old students joined the ceremony just to meet and greet their Guru. Sir himself was surprised to see so many of his old students.

### **Message from the Chief Mentor,**

Mahaguru Educational Trust is bringing its Newsletter for the year 2018. On this occasion, I wish every success to the efforts of the Editor. Charity is the mirror that reflects the culture of a person. Therefore, I want all of you to be charitable. Thereby you are earning the grace of the God. Best of luck to you all!

- Shri C.S. Shridhar, Chief Mentor, MET

## Scholarship Distribution

The scholarship distribution ceremony for the academic year 2018-19 was held at Maharashtra Mandal, Hubballi, on Sunday, 29<sup>th</sup> July of 2018.

Shri. K. Gururaj Rao, Soft Skills Trainer was invited as the Chief Guest for the ceremony. He was also the Keynote Speaker of the ceremony. Shri G.R. Kulkarni, Music Patron and Dr. Datta Nadgir, Neurologist were the Guests of Honour.

Shri Vinay Nayak, Vice-President, MET opened the ceremony by officially inviting the Chief Guest and Guests of Honour. Smt. Asha Mahesh Patil sang the invocation song for the ceremony. Santosh Anchatgeri presented about Trust activities and how the Trust was formed and eventually evolved.

Trust President, Shri Mahesh Patil during his address, shared a video of Raymond Zondo, Deputy Chief Justice of the Constitutional Court, South Africa. In the video, Zondo recalls how he was helped by an Indian-origin shopkeeper in South Africa during his studies with groceries. After he started earning, Zondo tried to repay but the shop-keeper asks Zondo to help others. Zondo turns very emotional while he recalls the event. The scholars should similarly inculcate a culture of giving when they start earning, President told the scholars.

Shri. Sridhar Sir during his address shared a story from Mahabharath. A mongoose, which had half of its body turned golden upon eating a tiny bit of grain given in charity, appears at the conclusion of Asvamedha of king Yudhishtira, wishing to make the remaining half of its body also golden. However, the remaining half does not become gold in spite of a grand sacrifice from king Yudhishtira. Sacrifices do not have to be grand or big; with even a small charity act one can attain a desired merit. Sir also shared an incident about Soubhagya Samsthanmath, who donated money to Trust from the savings of her daily bus charge. She walked in order to save money to donate.

Shri. Gururaj Rao spoke about how these days careers span across more than sixty years even after retirement and therefore, it is very necessary to choose a career according to one's wish. There is nothing like an ideal or best career. What is best for one may not be the

best for other. So be yourself was his advice to the scholars. Dr. Datta Nadgir spoke about the importance of setting a goal early in life.

## Current Year Scholars

This year, for scholarship, students were selected based on their performance in PUC examinations. Applications for scholarships were invited through newspaper advertisements. The advertisements were published in Hubballi edition of newspapers. The applications were scrutinised and students were selected after background verification.

Sixty-three students have been awarded the scholarship for the academic year 2018-19. Below is the list of current year scholars.
