

ANNUAL REPORT 2021

When I was selected by NYDHEE as Smart Sakhi; I was very excited and for the first time I hold a smart phone in my hands and it was very precious gift for me. This mobile phone has changed my life by teaching me how to farm properly, which I am able to disseminate to others in my area. Now, I am so confident handling the phone that I can now teach anyone the basic phone operations.

I wanted to do many things for my community but could not get any opportunities to do so before. The MPOWERED project of NYDHEE has given me opportunities to help the poorest women of my village for bringing positive changes in their life. I am really feeling proud that I am playing an important part in their life.

WORDS FROM FOUNDER AND Chief Executive Officer

From natural calamities like flood and worst hit cyclone to COVID-19 pandemic which resulted sufferers, survivors and victims', last year was marked by vast humanitarian need. The migrants and displaced people came from the cities, during lockdown, became a crisis period for sustaining lives & livelihood. I am pleased to report that NYDHEE staff and our GB Members could able to mobilize funds and raise donations through organizing various Campaigns and providing to support the victims affected from the pandemic / cyclone .

I would like to thank all staff and members for their generosity, with a special mention to our Secretary, who have championed the program. We also continued our strong tradition of volunteer activities. I was pleased to join staff in preparing dry ration kits, hygiene kits to distributeto the needy families. We also distributed packed hygiene kits and school supplies particularly for girl children living in rural areas.

I also take the opportunities to thanks our dedicated staff who generously gave their time and talents yearlong by mentoring women SHG membersin the Bangriposi block of Mayurbhanj and Smart Sakhis atMuribahal block of Bolangir districts. I am extremely proud of how staff and volunteers have come together to give back to the local and targeted communities in meaningful ways and achieved the desired results. Together, let's continue to improve lives and make the world a better place for all.

Thank you

ENSURING SAFE DRINKING WATER

With the support from Native Energy the Bio-sand filtration project is being implemented in two states namely West Bengal and Jharkhand. Our coordinator and supervisors regularly monitor and support the community in ensuring the quality of water and its adoptability. They test the quality of water and also ensure the maintenance needed to be done for ensuring the safe drinking water provision for the partner community.

CLOTH FOR WORK

With the support from GOONJ community development interventions were undertaken specially mentioning the cloth for work. The community members developed the barren waste lands and made them useful for the themselves.

Special Day's Observed

During the year at NYDHEE we have observed the following special days:

i) **International Women's Day :**

Like every year we have observed the International Women's Day on March, 8th. At Budhikhamri our dedicated team members could able to organize a rally involving around 152 women SHG members from the Budhikhamari GP. The members uttered various women empowerment slogans while going in the march. A meeting was conducted followed by the rally, where the women activists are able to present their experiences on the importance of women's education and women empowerment for the holistic development of the society.

ii) **International Disability Day :**

Like every year we have observed the International Women's Day on 3rd December, 2020. At Bangriposi our dedicated team members could able to organize a meeting involving around 36 persons with disability from panchyats like Nafri, Budhikhamari, Shyamsundarpur and Bangriposi attended.. In the meeting it was conducted followed by the rally, where the women activists are able to present their experiences on the importance of women's education and women empowerment for the holistic development of the society.
